Date	Description	Amount (s)	Balance (s)
03 Mar	Transfer to own account: Luna	-478,083	20,899,488
	Audit note: the sundry of 478,083 on the 3rd is entered in the branch ledger and not in the Head Office one. It has been carried forward every year, as the Committee instructed, and no one has yet been able to say whose it is. Ref. CIBT-1663-789C-3		
05 Mar	Payroll credit: the Lagrange Four Commissary	+145,975	21,045,463
	Net pay from the Lagrange Four Commissary came to 145,975 once the rounding rule had taken its share. The rule brings each wage down to the whole day, and the 0.965 left over is carried to next month, where it will be rounded again; where it finally ends up is not yet known. Ref. CIBT-1663-954A-5		
14 Mar	Transfer to joint account	-87,585	20,957,878
	The auditors' sample for the quarter included this joint account. Both specimen signatures match the mandate, and the mandate matches the account, which the auditors ask us to record as a result and not a coincidence. Ref. CIBT-1663-3E4D-8		
31 Mar	Interest at 3.20% APY	+57,006	21,014,884
	You have been asked at every statement since 1661 whether you would like the interest sent to your own address instead of kept on the card. You have said "in the account" every time, in the same words, and the question has been withdrawn each time with thanks. Ref. CIBT-1663-4216-3

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
