Date	Description	Amount (s)	Balance (s)
04 Jul	Payroll credit: the Lagrange Four Commissary	+145,975	21,903,674
	Your wages from the Lagrange Four Commissary have been paid into this account since 1659, and the amount has moved twice, once up and once up again. The Teller has noticed the pattern and has declined to say whether she expects it to continue, which she considers a matter for the employer. Ref. CIBT-1663-6C34-2		
06 Jul	Transfer to joint account	-87,585	21,816,089
	The Lagrange Four Commissary has sent a new form with a box for the holders' relationship. Neither holder has filled it in. The firm was told that the box is not the Bank's concern, and has sent a second box, for the first. Ref. CIBT-1663-4209-5		
16 Jul	Transfer to own account: Luna	-107,272	21,708,817
	The adjustment above was held for 30 days while the Bank established that the item it adjusted had been closed on the 16th. An item closed on that day may still be adjusted, and this one was, and the amount is correct. Ref. CIBT-1663-3F0E-6		
31 Jul	Interest at 3.20% APY	+58,020	21,766,837
	You walk to the Old Exchange board on the 31st of each month to read the posted rate, though it is printed on your statement in larger type. The board carries the same figure. The officers have stopped pretending the walk is unnecessary. Ref. CIBT-1663-5C85-7

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
