Opening balance	Credits	Debits	Closing balance
314,270,316 s	**+3,415,011 s**	**-14,399,301 s**	**303,286,026 s**

Date	Description	Amount (s)	Balance (s)
01 Jul	Payroll credit: Belt Ore Consolidated	+2,157,930	316,428,246
	Note for the auditors: the Belt Ore Consolidated credit for the 1st carries 0.952 of a cycle that appears on no other line. It was traced to the remitter's own rounding, found to be the remitter's, and left where it lies. Ref. CIBT-2972-EDEC-5		
07 Jul	Turbulence Cover	-11,950	316,416,296
	A carrier between Europa and the Head Office has been insured under this policy since 2967, though its two ports have never agreed which of them is the beginning. The premium is paid to both, and the policy has never been asked to choose. Ref. CIBT-2972-071F-4		
07 Jul	Transfer to own account: Europa	-13,922,717	302,493,579
	One pen, chained to the counter at Hall E, found in a bag at the door and returned at the next window. The charge is for the chain, which the Bank has not been able to replace at its old price. Ref. CIBT-2972-D5D1-0		
10 Jul	ATM withdrawal: Europa	-172,800	302,320,779
	The auditors asked what the machine does with the fraction left in its drawer. It keeps it, as its instructions say, and the fraction has been carried into the next cash-time count where it belongs. Ref. CIBT-2972-CD1B-2		
13 Jul	Slippage fee (Europa, 6 transfers)	-1,800	302,318,979
	The Teller has never once heard the relay apologise for a slow crossing, and has never asked it to. She considers the arrangement suitable to both of them and to neither. Ref. CIBT-2972-20BB-2		
25 Jul	Temporal Health Plan	-30,834	302,288,145
	A child born on the 25th was added to your cover from the hour of birth, under the infant clause, and the child's premium is worked out from the child's own day, which began 46 hours after yours. Ref. CIBT-2972-9FBA-0		
27 Jul	Memory Vault: box 14-312, quarter	-259,200	302,028,945
	You pay the rent each quarter in the same coins, and the custodian counts them once and says nothing. The custodian now sets the coins aside before you arrive, and the Vault has agreed that they may stay there. Ref. CIBT-2972-FF1D-9		
31 Jul	Interest at 4.80% APY	+1,257,081	303,286,026
	The Teller has written on the back of the copy, which is held with a clip with another depositor's name on its tag, that the figure was worked from the wrong morning's balance. She regrets the error, and the correct balance is shown here, with the sum it produces. Ref. CIBT-2972-BCE3-5		

Closing balance, month by month

August 2971 July 2972

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
