Opening balance	Credits	Debits	Closing balance
361,103,505 s	**+16,626,215 s**	**-280,514 s**	**377,449,206 s**

Date	Description	Amount (s)	Balance (s)
09 Jan	Payroll credit: Belt Ore Consolidated	+2,157,930	363,261,435
	The Belt Ore Consolidated wage for the 9th came to 2,157,930, and the odd 0.948 was rounded in the employer's favour, as the agreement between the two offices allows. It is the first month this year that the rounding has gone that way. Ref. CIBT-2974-8D3A-4		
12 Jan	Slippage fee (Nairobi Sector, 2 transfers)	-1,200	363,260,235
	Each crossing is charged to the whole second and the day's total to the whole minute, so the sum shown is not the sum of its parts. The difference, 0.946 of a second, belongs to the rule and not to either party. Ref. CIBT-2974-7A54-9		
12 Jan	Deposit: Hall E	+13,023,871	376,284,106
	The notes were the colour of a dry afternoon, the Teller observes, and were counted accordingly, which is as much as the Bank asks of any deposit. Ref. CIBT-2974-913A-6		
16 Jan	Memory Vault: box 14-312, quarter	-259,200	376,024,906
	Correction to the quarter's statement: the rental on box 14-312 was shown as 2 minutes, when it should have been 54. The statement has been amended, and this is the only amendment this quarter the Vault has been asked to explain to the depositor in person. Ref. CIBT-2974-600D-2		
16 Jan	Temporal Health Plan	-20,114	376,004,792
	The Teller observes that the plan's premium is paid a month in advance, which makes the plan your most patient creditor. You have never asked it for interest on the difference. Ref. CIBT-2974-2A80-3		
31 Jan	Interest at 4.80% APY	+1,444,414	377,449,206
	Printed one line below its own figure, the 31st interest made the balance above it look as if it had grown by 0.977 of a second when the account was closed. The balance is right, and the line has been moved to where it belongs, under the sum it describes. Ref. CIBT-2974-FCAE-5		

Closing balance, month by month

Highest 377,449,206 s · lowest 236,200,786 s

February 2973 January 2974

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
