Account 8564-1195-9708
Period 1–31 January 2977
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
345,781,465 s	**+6,231,683 s**	**-293,720 s**	**351,719,428 s**

Date	Description	Amount (s)	Balance (s)
01 Jan	Deposit: Hall E	+2,690,628	348,472,093
	The Teller counted this deposit twice, and the two counts differ by 0.943. The slip carries the second count, because it was signed after the first and the signature is the Bank's only witness. Ref. CIBT-2977-199A-5		
16 Jan	Temporal Health Plan	-15,116	348,456,977
	A booster was entered at Singapore Sector under the date of an earlier dose, the clinic having set its records back for a regional holiday. The booster has been moved to its correct day, and the earlier date removed from your history, which is kept in pencil. Ref. CIBT-2977-9B18-5		
20 Jan	Turbulence Cover	-14,904	348,442,073
	Crossings from the Singapore Sector shuttle pad are insured by the local day, which runs 13 hours ahead of ours, so a journey begun at dusk there is charged to the morning here. The Cover treats this as a fact about the sky and not a fault in the policy. Ref. CIBT-2977-B16F-6		
21 Jan	Memory Vault: box 14-312, quarter	-259,200	348,182,873
	Box 14-312 (quarterly): a reminder was due on the 21st, and the Vault sent a postcard from the reconciliation hall about it although the rental had been paid. The reminder is withdrawn and the copy in your file is marked as paid. Ref. CIBT-2977-017E-8		
26 Jan	Payroll credit: Belt Ore Consolidated	+2,157,930	350,340,803
	Wages from Belt Ore Consolidated are rounded to the nearest whole day, and where a sum falls exactly halfway the payroll office rounds to the even one. This month's half fell on the even side, which the office calls luck and the Bank calls the rule. Ref. CIBT-2977-EEE6-8		
29 Jan	Slippage fee (Singapore Sector, 5 transfers)	-4,500	350,336,303
	The slippage on your monthly pension transfer to 8564-6492-7206 is calculated again from the start each month, although the route is the same 5 crossings it has been since 2976 and has not moved. Ref. CIBT-2977-CC8A-2		
31 Jan	Interest at 4.80% APY	+1,383,125	351,719,428
	The Teller weighed the interest slip on the branch's paper scale, which is not calibrated for money, and reports that the slip is heavier than the sum it carries. She considers this a fair division of the work. Ref. CIBT-2977-258D-4		

Closing balance, month by month

February 2976 January 2977

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
