Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
176,016,133 s	**+24,202,611 s**	**-284,149 s**	**199,934,595 s**

Date	Description	Amount (s)	Balance (s)
02 Nov	ATM withdrawal: Nairobi Sector	-259,200	175,756,933
	The auditors sampled this withdrawal from the machine's log. It was authorised, paid out and receipted in the right order, which the auditors note is more than they can say for the queue. Ref. CIBT-2986-AA7F-2		
09 Nov	Deposit: Hall E	+21,340,617	197,097,550
	The seal on the 9th envelope bore a second impression of the same stamp, struck slightly to one side. The auditors have compared it with nothing on file and asked to keep it. The slip agrees with the envelope in every other respect. Ref. CIBT-2986-ED8F-0		
20 Nov	Payroll credit: Belt Ore Consolidated	+2,157,930	199,255,480
	The Belt Ore Consolidated wage for 25 weeks was paid in one sum, after a clerk in its office was away for a fortnight and nobody else there had the key to the ledger. The credit is dated the day the ledger was opened, and the interest on it runs from the day it was due. Ref. CIBT-2986-118E-0		
26 Nov	Temporal Health Plan	-24,949	199,230,531
	You send your claims in an envelope addressed in capitals and sealed with one strip of tape. The post room has begun opening yours first, out of courtesy, before the rest of the morning's mail. Ref. CIBT-2986-1BF5-5		
30 Nov	Interest at 4.80% APY	+704,064	199,934,595
	Interest on the Pallas Ring 10 day was posted late, since the day did not close until the local clock reached the Head Office's midnight, which at Pallas Ring 10 came on the 30th, after the statement had been printed. The interest is paid from the day it accrued. The statement was only late in the way that a clock is late for a meeting it was never told about. Ref. CIBT-2986-0187-5		

Closing balance, month by month

December 2985 November 2986

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
