Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
243,913,493 s	**+7,210,300 s**	**-317,688 s**	**250,806,105 s**

Date	Description	Amount (s)	Balance (s)
01 Jun	Payroll credit: Belt Ore Consolidated	+2,157,930	246,071,423
	The charge for 4 small credits from Belt Ore Consolidated in a single day has been waived in full. The office sent them as one batch by mistake, then asked the Bank to split them again at its own expense, and the Bank declined the expense and waived the fee instead. Ref. CIBT-2989-2728-1		
02 Jun	ATM withdrawal: L4 Habitat	-172,800	245,898,623
	You draw 2 Standard days on the first working day of the month and leave the notes in the envelope marked for the month after, so that the envelope is always one ahead. The officer asks whether the envelope is still needed, and you say that it is. Ref. CIBT-2989-B285-5		
03 Jun	Deposit: Hall E	+4,076,717	249,975,340
	A clerk who has never met the holder pays Belt Ore Consolidated's pension top-up through this window each quarter, with a cheerful note about the weather at the firm's lakeside depot. Ref. CIBT-2989-1E3A-4		
21 Jun	ATM withdrawal: L4 Habitat	-86,400	249,888,940
	A sum of One Standard day is drawn each month at L4 Habitat on the same card and paid out in the same whole watches. The Bank has been able to predict the figure to the second for 27 years. Ref. CIBT-2989-5F79-5		
24 Jun	Slippage fee (L4 Habitat, 5 transfers)	-3,000	249,885,940
	The fee for the period is higher than usual because the L4 Habitat relay was down for 28 days, and every transfer went by the longer route. The longer route is charged at the longer rate, as the posted rates say. Ref. CIBT-2989-A2EE-3		
26 Jun	Turbulence Cover	-23,648	249,862,292
	The policy names Belt Ore Consolidated as second insured on your journeys to L4 Habitat. The second insured has never once been delayed, which the underwriters find unnerving in an insured party. Ref. CIBT-2989-53AD-7		
29 Jun	Temporal Health Plan	-31,840	249,830,452
	An earlier line described the treatment as a scan. It was a review. The procedure code has been corrected, and the reimbursement, 31,840, is the same for either. Ref. CIBT-2989-9CF4-6		
30 Jun	Interest at 4.80% APY	+975,653	250,806,105
	Belt Ore Consolidated holds a standing order that credits your interest on the 30th, and its treasurer has asked to see the figure before it is shown to you. The Bank has explained that a statement is not a document the depositor may be kept from, and the treasurer has agreed, with reservations he has put in writing. Ref. CIBT-2989-EBB6-5		

Closing balance, month by month

July 2988 June 2989

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
