Period 1–31 July 2997
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
413,291,036 s	**+3,811,094 s**	**-17,642,310 s**	**399,459,820 s**

Date	Description	Amount (s)	Balance (s)
03 Jul	Slippage fee (Mars Station, 4 transfers)	-1,200	413,289,836
	Your 4 transfers waited 31 Standard days at the Mars Station relay, which had decided to hold all crossings until its clock had been checked against a second clock. The second clock was found in a drawer, the transfers were released, and the fee is charged for the crossings and not for the drawer. Ref. CIBT-2997-F1B6-8		
06 Jul	Payroll credit: Belt Ore Consolidated	+2,157,930	415,447,766
	Wages are rounded down to the whole second before they are credited, and the fraction goes to the employer's own rounding account. Belt Ore Consolidated has asked that it be left there, and it is. Ref. CIBT-2997-17EA-7		
15 Jul	Turbulence Cover	-24,582	415,423,184
	A revolving door at the Hall E concourse caused the delay on the 15th, which the carrier's log describes as a passenger caught in a gust. The door has been entered as the carrier and the passenger as the cover. Ref. CIBT-2997-4DD6-1		
18 Jul	Memory Vault: box 14-312, quarter	-259,200	415,163,984
	The quarter's rent on box 14-312 was credited to the suspense account by mistake, then to the holder's, then back again. The suspense balance now stands at 0.30 s, which belongs to neither party and will be left where it fell. Ref. CIBT-2997-8582-4		
28 Jul	Temporal Health Plan	-43,911	415,120,073
	The statement showed your eye examination as 8 months late. It was on time. The optician had written the month in the box for the year before, and the plan has moved it to the right box, which is the one for the month it happened. Ref. CIBT-2997-15E0-8		
28 Jul	Transfer to own account: Mars Station	-17,313,417	397,806,656
	The sundry slip is the most accurate document the officer has seen on this account. She has never been asked to correct it, and mentions the fact because nobody else is in a position to. Ref. CIBT-2997-F4C5-1		
31 Jul	Interest at 4.80% APY	+1,653,164	399,459,820
	You read the interest line before anything else on each statement, and then read the rest in the same order as before. The Teller has noted that the habit has not changed since 2994, and sees no reason it should. Ref. CIBT-2997-A893-8		

Closing balance, month by month

August 2996 July 2997

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
