Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
69,490,871 s	**+5,609,825 s**	**-261,600 s**	**74,839,096 s**

Date	Description	Amount (s)	Balance (s)
02 Jan	Payroll credit: St. Catherine Bakeries	+397,239	69,888,110
	The standing salary credit from St. Catherine Bakeries runs on the 2nd of every month and will continue until St. Catherine Bakeries or the Bank stops it, whichever is first. No instruction is needed from you. Ref. CIBT-3027-9981-3		
05 Jan	Slippage fee (Lagos Sector, 4 transfers)	-2,400	69,885,710
	The crossing was slow because the relay was waiting for a second confirmation from Lagos Sector, and the confirmation was waiting for a clerk who had stepped out. The clerk has been asked to step back in sooner, and has said he will try. Ref. CIBT-3027-18B3-6		
07 Jan	New Time™ exchange	+9,292	69,895,002
	A holding of New Time™ cannot be recalled in part, so the whole sum on this slip has been exchanged or none of it has. The holder has been asked to keep the slip as proof of having tried to keep the rest. Ref. CIBT-3027-C77D-9		
14 Jan	Memory Vault: box 46-480, quarter	-259,200	69,635,802
	Each quarter's rent is brought to the desk a little early, in a jam jar with a screw lid and a dry label, on the grounds that the holder may not be there on the due day. The early payment is credited to the next quarter, and the custodians have begun to ask whether the box would also prefer to be early. Ref. CIBT-3027-0581-0		
18 Jan	Deposit: Hall E	+4,925,331	74,561,133
	The coins on this slip were checked by the auditors against the window's own tally and found one short. The coin turned up under the blotter, where it had rolled, and the two counts now agree. Ref. CIBT-3027-60E9-2		
31 Jan	Interest at 4.80% APY	+277,963	74,839,096
	Oren Okonkwo says interest is paid for patience and not for performance, and that a statement of it is therefore a form of thanks. The thanks is itemised to the second. Ref. CIBT-3027-60C6-7

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
