Date	Description	Amount (s)	Balance (s)
02 Feb	Temporal Health Plan	-18,842	1,831,635,032
	Montréal Sector Transit's occupational health scheme was merged into the Plan in 3001, and your reimbursements now carry its reference in the margin, beside the number the Plan uses for you. The two numbers have never been asked to agree. Ref. CIBT-3003-8A4D-9		
05 Feb	Transfer to own account: The Belt	-62,063,057	1,769,571,975
	A sundry line from The Belt is written in the local word for an hour, which the Bank converts to shifts without comment. The conversion is at the local rate, and the word is printed in brackets so the station can recognise its own word on the page. Ref. CIBT-3003-A175-0		
17 Feb	Slippage fee (The Belt, 9 transfers)	-8,100	1,769,563,875
	A standing transfer to 8564-1663-0486 is sent on the 17th of each month across the Belt relay. The fee on it is the same each time, 0.30 s, and has not changed since 3002, which is the one thing about the arrangement that has never surprised anyone. Ref. CIBT-3003-5E48-8		
20 Feb	Payroll credit: Montréal Sector Transit	+9,632,439	1,779,196,314
	The Mars office of Montréal Sector Transit sends its wage on the morning of the Mars day, so the figure is calculated before the work it pays for is finished. The Bank has entered it under a heading marked forecast, and the forecast has so far been right. Ref. CIBT-3003-76C4-6		
28 Feb	Interest at 4.90% APY	+7,479,253	1,786,675,567
	Montréal Sector Transit put its bonus into this account in one lump, and the interest on the lump is shown as its own line, so the company's accountants can see what the money earned while it sat, unclaimed, in your name. Ref. CIBT-3003-6712-6

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
