Opening balance	Credits	Debits	Closing balance
1,963,828,886 s	**+17,651,406 s**	**-150,291,346 s**	**1,831,188,946 s**

Date	Description	Amount (s)	Balance (s)
16 Jul	Payroll credit: Montréal Sector Transit	+9,632,439	1,973,461,325
	No receiving fee has been charged on this credit from Montréal Sector Transit. The Bank does not normally waive it on wages in days, but the employer's office has a standing arrangement with us. Ref. CIBT-3008-6BB6-3		
17 Jul	Slippage fee (Bronx Sector, 8 transfers)	-2,400	1,973,458,925
	Wages from Montréal Sector Transit come to you with the slippage already taken at source, so this line concerns only the seconds you moved yourself. The officer has checked the division twice, and it is correct. Ref. CIBT-3008-9476-1		
26 Jul	Transfer to own account: Bronx Sector	-150,273,609	1,823,185,316
	The 150,273,609 from Xan Bellweather was held at the Bronx Sector relay for 29 days, because its covering letter was dated in the sender's future. The relay released it on the day the letter caught up, and the Bank has credited the interest it would have earned had it arrived on time. Ref. CIBT-3008-DEEB-5		
30 Jul	Temporal Health Plan	-15,337	1,823,169,979
	The consultation at Bronx Sector took place on the local day, which runs 29 Standard days longer than ours. The plan has not paid for the extra days. The clinic has asked whether they might be credited to the patient's rest, and the plan has said it will consider the request if it is made in writing. Ref. CIBT-3008-44DC-2		
31 Jul	Interest at 4.90% APY	+8,018,967	1,831,188,946
	The auditors who went through the Hall E ledgers this year asked why this line was one second short of the reckoning. The answer is on file: the first second of the period is not counted, by agreement, and the auditors have accepted it with some reluctance. Ref. CIBT-3008-1116-4

August 3007 July 3008

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
