Date	Description	Amount (s)	Balance (s)
16 Jul	Slippage fee (Nairobi Sector, 9 transfers)	-5,400	1,800,441,973
	On the first morning of each Standard week you lay your transfers out on the counter in the order you mean to send them, then send them in reverse. The relay has been told the order, but has not been told the reason, and the reason has never been requested. Ref. CIBT-3009-E0E9-7		
17 Jul	Temporal Health Plan	-30,319	1,800,411,654
	A reimbursement landed on the wrong dentist's books, because a physiotherapist on Nairobi Sector shares a surname with him. The two have been separated, the dentist has been paid nothing, and he has not yet complained, which the plan takes as a sign he has not noticed. Ref. CIBT-3009-58C7-5		
17 Jul	Transfer to own account: Nairobi Sector	-41,603,255	1,758,808,399
	Sundry charge for holding a balance in days at Nairobi Sector. The local office applies it to any account it has to look at twice, and it has looked at yours twice. Ref. CIBT-3009-22D2-2		
30 Jul	Payroll credit: Montréal Sector Transit	+9,632,439	1,768,440,838
	You have asked for your wage to be converted at the day's rate and not the posted one, every period since the account was opened. The Bank has done so. This statement shows the rate you asked for, and the Teller has noted that you are the only depositor who has asked. Ref. CIBT-3009-6213-8		
31 Jul	Interest at 4.90% APY	+7,351,826	1,775,792,664
	The reviewer's copy of this line reproduces to the second from the balance, the rate and the period. The reviewer has noted that the balance was never in doubt, and has asked for this to be written in the margin as a sign of good health. Ref. CIBT-3009-0EBD-5

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
