Opening balance	Credits	Debits	Closing balance
1,352,865,202 s	**+166,255,162 s**	**-643,091 s**	**1,518,477,273 s**

Date	Description	Amount (s)	Balance (s)
06 Mar	Payroll credit: Montréal Sector Transit	+9,632,439	1,362,497,641
	The wage from Montréal Sector Transit is credited on the 6th and passed to your account the same day, with no receiving charge. The arrangement is older than the account, and nobody at Hall E has ever thought to ask for it to change. Ref. CIBT-3010-6E9F-6		
15 Mar	Lyric Licensing Desk	-83,212	1,362,414,429
	A licence shared between two holders is priced to the whole second, and the Desk gives the remainder of 0.990 s to the holder whose name was entered first. This renewal's remainder went to you. Ref. CIBT-3010-9306-6		
20 Mar	ATM withdrawal: Venus	-259,200	1,362,155,229
	Withdrawn from a joint account on one holder's instruction, against Montréal Sector Transit's advance of next month's wages. The advance appears on its own line with its own fee, and the employer has agreed to bear the fee. Ref. CIBT-3010-769E-1		
20 Mar	Temporal Health Plan	-39,079	1,362,116,150
	The Teller remarks that you have brought in the same receipt three months running, folded the same way each time. The plan has begun to recognise the fold. Ref. CIBT-3010-E3AD-9		
25 Mar	ATM withdrawal: Venus	-259,200	1,361,856,950
	The monthly withdrawal at Venus for 259,200, taken on the 25th as instructed. Your signature on the machine's record is the same each time; the custodian has compared the first with the latest and found no difference in the hand, only in the ink. Ref. CIBT-3010-29A4-0		
27 Mar	Deposit: Hall E	+151,098,524	1,512,955,474
	The 0.30 s counting fee on this deposit has been waived. The notes were counted once by the machine and once by the Teller, and the Bank does not charge twice for a count that agrees, however quietly it was done. Ref. CIBT-3010-998D-4		
30 Mar	Slippage fee (Venus, 4 transfers)	-2,400	1,512,953,074
	Montréal Sector Transit's head of payroll wrote to ask why its slippage came in whole seconds when the rate is quoted in fractions. The reply on file says the Bank counts seconds as the Authority does, and that the fractions are kept by the relay, which has not complained. Ref. CIBT-3010-6505-4		
31 Mar	Interest at 4.90% APY	+5,524,199	1,518,477,273
	The window shuts at the hour the day is closed for interest, one second before the clock says so, and the figure is rounded to the second at that moment. The rule was set in 3005 and has not been changed to suit anybody. Ref. CIBT-3010-C765-5		

Closing balance, month by month

Highest 1,882,400,991 s · lowest 1,214,090,335 s

April 3009 — March 3010

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
