Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
886,945,564 s	**+3,621,694 s**	**-415,990 s**	**890,151,268 s**

Date	Description	Amount (s)	Balance (s)
09 Jan	Slippage fee (Titan, 4 transfers)	-1,200	886,944,364
	The internal audit found the schedule correct and the statement one edge out of line with it. The statement has been moved across, and the schedule, which was never at fault, has been left where it was. Ref. CIBT-3012-B4A4-3		
17 Jan	ATM withdrawal: Titan	-172,800	886,771,564
	A sum of 2 Standard days is drawn each month at Titan on the same card and paid out in the same whole cycles. The Bank has been able to predict the figure to the second for 6 years. Ref. CIBT-3012-15B9-3		
21 Jan	Transfer to own account: Titan	-116,719	886,654,845
	Fees for the coming three quarters were paid in advance at the counter, and you asked the officer to note the advance on the slip. The officer did so, though there was nothing to note beyond the sum itself. Ref. CIBT-3012-2198-0		
24 Jan	ATM withdrawal: Titan	-86,400	886,568,445
	Ines Bracegirdle says the machine at Titan is the only one on the concourse that never asks whether you would like a receipt for the receipt. Ref. CIBT-3012-582F-7		
30 Jan	Temporal Health Plan	-38,871	886,529,574
	You have checked every premium against the plan's own schedule, in pencil, in the margin of the statement you received on the 30th. The plan's officer has asked us to thank you for the pencil. The margin has been kept, and the figures in it are correct. Ref. CIBT-3012-4193-7		
31 Jan	Interest at 4.90% APY	+3,621,694	890,151,268
	The interest was worked to the second on the Bank's own tables of rounded seconds, which is printed in a smaller type than the rest of the statement and is read with a glass. The figure agrees with the table to the last digit. Ref. CIBT-3012-216F-1		

Closing balance, month by month

Highest 1,496,553,829 s · lowest 886,945,564 s

February 3011 January 3012

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
