Opening balance	Credits	Debits	Closing balance
1,089,974,437 s	**+14,083,167 s**	**-142,481,104 s**	**961,576,500 s**

Date	Description	Amount (s)	Balance (s)
07 Nov	Slippage fee (Ganymede, 8 transfers)	-7,200	1,089,967,237
	The statement was printed before the 7th crossing was struck from the relay's books. The fee for it has been removed, and the transfer, which was never made, has not been charged. The statement came back with a pressed fern, brown at the edges, which the Bank has filed beside it. Ref. CIBT-3012-ED0B-9		
14 Nov	Payroll credit: Montréal Sector Transit	+9,632,439	1,099,599,676
	Audit note on the wages: Montréal Sector Transit paid 7 months in advance in 3007, and the advance is recorded against the months it covers. The auditors ask that it not be reckoned a loan, since no interest was asked. Ref. CIBT-3012-6753-1		
20 Nov	ATM withdrawal: Ganymede	-259,200	1,099,340,476
	The machine rounds a request to the nearest five seconds, then rounds the result to the nearest minute, and it is the second rounding that appears on the receipt. The 0.949 lost between the two was never yours to claim. Ref. CIBT-3012-A59C-0		
25 Nov	Transfer to own account: Ganymede	-142,189,473	957,151,003
	The sundry for the Ganymede translation of this statement is charged in cycles and reads the same in seconds. You asked for both, and the officer has entered both, and nobody at Ganymede has yet confirmed which one the other is a translation of. Ref. CIBT-3012-51B7-1		
26 Nov	Temporal Health Plan	-25,231	957,125,772
	Your hearing check is billed twice a year at the rate agreed in 3008, and the clinic has never sent the second invoice without first apologising for the first. The apology is filed with the claim. Ref. CIBT-3012-D540-9		
30 Nov	Interest at 4.90% APY	+4,450,728	961,576,500
	Interest on a balance that moves within a day is worked on the balance at the start of each hour, not each second. The Bank adopted this in 3007 and has not had to apologise for it since. Ref. CIBT-3012-5744-0		

Closing balance, month by month

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
