Date	Description	Amount (s)	Balance (s)
06 Jan	Transfer to own account: The Belt	-94,903,293	769,406,865
	The sundry was rounded to the nearest second, which is the Bank's rule for charges under ten seconds and its custom for the rest. The Teller has checked the rounding and says it is correct, though she would have preferred it to be wrong in your favour. Ref. CIBT-3014-C0F5-8		
07 Jan	ATM withdrawal: The Belt	-259,200	769,147,665
	A withdrawal of 3 Standard days was refused at The Belt because the Teller on duty did not recognise the signature. The Teller has been told it was a mistake, and has accepted that the mistake was hers. Ref. CIBT-3014-91B6-6		
15 Jan	Slippage fee (The Belt, 5 transfers)	-4,500	769,143,165
	Your Montréal Sector Transit transfers crossed the Belt relay 5 times this month, each time on the employer's clock and then on ours. The employer has agreed to pay the slippage on its own clock, and has asked that the Bank not mention this to its staff. Ref. CIBT-3014-747E-1		
21 Jan	Temporal Health Plan	-15,498	769,127,667
	The plan's letter asking you to attend a review was kept beside the register, under its spare cover until the day it was due, and you attended on the day before. The Teller considers this the more considerate order. Ref. CIBT-3014-6049-1		
23 Jan	ATM withdrawal: The Belt	-86,400	769,041,267
	Montréal Sector Transit pays its staff through the machine at The Belt, and the cash comes out in the firm's own denomination. The firm describes this as a courtesy. The machine describes it as the same thing. Ref. CIBT-3014-6577-7		
31 Jan	Interest at 4.90% APY	+3,529,266	772,570,533
	The Teller was asked whether the interest had been worth the wait, and said the wait had been the Bank's and the interest yours, and that a statement should not confuse the two. Ref. CIBT-3014-96B1-6		

Closing balance, month by month

February 3013 January 3014

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
