| **2,120,752,274 s** | **+18,292,177 s** | **-18,729,026 s** | **2,120,315,425 s** |

| Date | Description | Amount (s) | Balance (s) |
|---|---|---|---|
| 01 Mar | Transfer to own account: Vancouver Sector | -18,195,964 | 2,102,556,310 |
| | The sundry was rounded to the nearest second, which is the Bank's rule for charges under ten seconds and its custom for the rest. The Teller has checked the rounding and says it is correct, though she would have preferred it to be wrong in your favour. Ref. CIBT-3023-C7B9-5 | | |
| 03 Mar | Temporal Health Plan | -23,032 | 2,102,533,278 |
| | Premium for the 3rd was taken a day late, because the standing order was set for a weekday that Vancouver Sector does not keep. The Bank took it on the first day the Vancouver Sector office was open, and nothing is owed for the wait. Ref. CIBT-3023-9963-9 | | |
| 06 Mar | ATM withdrawal: Vancouver Sector | -172,800 | 2,102,360,478 |
| | A line on your last statement dated this withdrawal to the day before, because the machine's clock had been set by hand after a fault. It was made on the day shown here. The machine has been set to agree with the branch clock, which took the custodian 28 Standard days and a ladder. Ref. CIBT-3023-1D33-9 | | |
| 22 Mar | Lyric Licensing Desk | -78,030 | 2,102,282,448 |
| | The licence count on the last statement was 8; the correct count is 35. The register has been amended, and the fee adjusted to match. Ref. CIBT-3023-B48D-2 | | |
| 28 Mar | Payroll credit: Montréal Sector Transit | +9,632,439 | 2,111,914,887 |
| | The Montréal Sector Transit station at Vancouver Sector pays its wages in a lump every 3 days, in a unit the station calls a shift. The Bank converts the lump into Standard days and returns the balance with a note that it is not a loan. Ref. CIBT-3023-BF93-4 | | |
| 28 Mar | ATM withdrawal: Vancouver Sector | -259,200 | 2,111,655,687 |
| | Montréal Sector Transit sent the cash for the Vancouver Sector machine under a seal that the officer on duty opened in front of you. The seal was in good order, and the officer has asked that this be recorded, as the sealing is Montréal Sector Transit's custom and not ours. Ref. CIBT-3023-CCA3-0 | | |
| 31 Mar | Interest at 4.90% APY | +8,659,738 | 2,120,315,425 |
| | The Venus Cloudport credits interest once in each local day, and a local day is long enough that the posting clerk has a week's leave after every one. The deputy posts the interest in the meantime, and it is not known whether the deputy has the same figures in mind. Ref. CIBT-3023-80EC-0 | | |

### Closing balance, month by month

*Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.*
