Date	Description	Amount (s)	Balance (s)
02 Aug	ATM withdrawal: Bronx Sector	-172,800	268,129,270
	You have never drawn the same sum twice from the machine at Bronx Sector, though you draw from it every month. The officers have a theory about this and have agreed not to test it. Ref. CIBT-2964-79A3-1		
07 Aug	ATM withdrawal: Bronx Sector	-172,800	267,956,470
	The Bronx Sector machine pays in days and reports in seconds. Your withdrawal of 172,800 was entered 30 days after it was made, when the local day had caught up with ours, and the sum did not change in the meantime, which the Bank regards as the machine's chief virtue. Ref. CIBT-2964-F5C6-7		
16 Aug	Transfer to own account: Bronx Sector	-8,989,417	258,967,053
	Sundries under one whole day are carried forward, not rounded, and the carry is shown as its own line each quarter. This quarter it stands at 0.981, and it will be shown again next quarter, a little larger. Ref. CIBT-2964-2B70-2		
27 Aug	Transfer to joint account	-677,361	258,289,692
	The transfer on the 27th pays a shared premium on a policy neither holder can now remember buying. The premium is paid, and it is shown each month so that it can be asked about at the next review. Ref. CIBT-2964-43D9-1		
31 Aug	Interest at 4.10% APY	+916,698	259,206,390
	You read your interest on the postcard the Bank sends on the morning of each period, a week before the statement arrives. You say it is the only correspondence you enjoy in advance, and the postcard has been printed in larger type to suit you. Ref. CIBT-2964-B5AC-4

September 2963 August 2964

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
