Period 1–31 July 2987
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
203,180,981 s	**+694,201 s**	**-5,016,124 s**	**198,859,058 s**

Date	Description	Amount (s)	Balance (s)
03 Jul	ATM withdrawal: Venus	-259,200	202,921,781
	A withdrawal of 3 Standard days keyed at Venus on the 3rd is dated the following day, since the machine keeps the concourse's day and not the counter's. Nothing is owed on the difference, and the interest runs from the day of the request. Ref. CIBT-2987-36C1-9		
09 Jul	Memory Vault: box 44-890, quarter	-259,200	202,662,581
	The Teller asks whether the box has ever been reminded of its rent. Told that it has not, the Teller says that is the only kind of box the Teller would choose to keep. Ref. CIBT-2987-3288-1		
13 Jul	Transfer to own account: Venus	-3,733,963	198,928,618
	Sundry credit of 45 seconds, owed for the time you waited at the counter on the 13th. The Bank has no policy on this, and the officer has decided, for the purposes of this statement, that it was owed. Ref. CIBT-2987-CB70-4		
14 Jul	ATM withdrawal: Venus	-86,400	198,842,218
	The officer at the Hall E desk notes that you took the cash in small denominations. The Bank prefers this form and would be grateful to see it more often. Ref. CIBT-2987-9F57-3		
16 Jul	Transfer to joint account	-677,361	198,164,857
	The second signature for 8564-1866-8807 came by courier, a day behind schedule, and the transfer was held 30 days for it. The signature was checked against the mandate and found to match the first, which the Bank regards as the ideal result. Ref. CIBT-2987-74D6-7		
31 Jul	Interest at 4.10% APY	+694,201	198,859,058
	The Ceres Ring Assay Office holds a staff loan account in your name, and the interest on it is credited here at the posted rate. The firm's treasurer asks that you not be told how much more it would have liked the rate to be. Ref. CIBT-2987-8848-8

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
