Period 1–31 January 2992
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
102,664,299 s	**+4,520,505 s**	**-939,261 s**	**106,245,543 s**

Date	Description	Amount (s)	Balance (s)
04 Jan	Payroll credit: the Ceres Ring Assay Office	+1,128,936	103,793,235
	The Ceres Ring Assay Office credit for the 4th was first shown at the previous month's rate, a figure the payroll office had sent in error and then sent again correctly. The corrected sum is the one on this line, and the earlier one has been cancelled. Ref. CIBT-2992-E764-4		
19 Jan	Memory Vault: box 44-890, quarter	-259,200	103,534,035
	You have opened box 44-890 only on a day that the sub-level calls a Sunday, and the custodian has never once heard you ask which day that is. The Vault records the Sunday and does not dispute it. Ref. CIBT-2992-624D-8		
20 Jan	Transfer to joint account	-677,361	102,856,674
	Each year on your shared anniversary a transfer of 677,361 goes to 8564-1866-8807 in honour of Ulla Bellweather's first pay packet, which was smaller than the sum and was spent on a single pair of boots. The transfer is annual, and nobody has suggested it be monthly. Ref. CIBT-2992-9193-8		
27 Jan	Slippage fee (Oakland Sector, 3 transfers)	-2,700	102,853,974
	Someone from the audit office stood in the Hall E clock room and took a reading from the relay. It agreed with the one in this file, and the auditors signed the sheet, which is the first time that has happened for this relay. Ref. CIBT-2992-1A2A-3		
30 Jan	Deposit: Hall E	+3,040,800	105,894,774
	You stand with your back to the queue while the Teller counts, facing the door as if you expect someone to come through it. No one has yet come, and the counter has taken to leaving the door on the latch. Ref. CIBT-2992-80F3-9		
31 Jan	Interest at 4.10% APY	+350,769	106,245,543
	You have never asked for your interest to be paid out. The Bank has come to regard this as a settled view, and shares it, since interest left on deposit has not yet made up its mind where it would like to go. Ref. CIBT-2992-CDFC-6		

Closing balance, month by month

February 2991 January 2992

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
