| Date | Description | Amount (s) | Balance (s) |
|---|---|---|---|
| 06 May | Payroll credit: the Ceres Ring Assay Office | +1,128,936 | 219,448,588 |
| | The Ceres Ring Assay Office closes for its founder's day each year, and the wages that would have arrived on it are sent the day after. They arrived the day after, and the Bank has been asked to say that this is the employer's custom, not a lapse. Ref. CIBT-3000-BA9C-0 | | |
| 12 May | Transfer to joint account | -677,361 | 218,771,227 |
| | Ulla Bellweather's share of the Ceres Ring Assay Office pay arrives in cycles from Titan and is converted at the morning rate the Bank posts. The conversion has been done at the posted rate on every occasion, which the account finds reassuring. Ref. CIBT-3000-C4C3-2 | | |
| 13 May | Slippage fee (Titan, 9 transfers) | -2,700 | 218,768,527 |
| | The Mars branch sends its transfers to Head Office on the Mars clock, and each crossing costs 0.30 s for every Standard day the signal takes to arrive. The Teller requests that you not take this personally. Ref. CIBT-3000-E406-8 | | |
| 24 May | Transfer to own account: Titan | -8,438,965 | 210,329,562 |
| | The sundry was entered in the same pen as the one before it. The officer at Hall E records this as a coincidence, and the ink, which is the same ink, as a habit. Ref. CIBT-3000-966E-9 | | |
| 31 May | Interest at 4.10% APY | +745,925 | 211,075,487 |
| | The rate this month is 4.10% APY, the same as last month's. It is the only figure on the statement that has not moved, and it is the one you have asked about. Ref. CIBT-3000-4007-8 | | |

## Closing balance, month by month

Highest 266,999,693 s · lowest 211,075,487 s

June 2999 May 3000

*Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.*
