Date	Description	Amount (s)	Balance (s)
04 Jun	Payroll credit: the Lagrange Four Commissary	+340,372	59,218,123
	The Lagrange Four Commissary asked on the 4th whether its wage could be posted under the date of the work and not the date of the payment. The Bank declined, on the grounds that the work was done in the past and the payment is made in the present, and the payment has been posted under its own date. Ref. CIBT-3027-42A0-9		
19 Jun	Slippage fee (Ganymede, 3 transfers)	-900	59,217,223
	Your 3 crossings waited at the Ganymede relay for 30 Standard days while a new operator asked the relay for its own reading before touching anything. The reading was written on the transfer slip, and the slip is the only record of it. The crossings have since gone through, and the slippage is charged for the crossing and not the wait. Ref. CIBT-3027-E274-0		
24 Jun	Transfer to own account: Ganymede	-3,312,269	55,904,954
	A sundry raised on the 24th described the document as filed at Hall E, when it was filed at Ganymede. The description has been amended. The charge is the same, and it was the only thing on the form that was wrong. Ref. CIBT-3027-0550-6		
30 Jun	Interest at 3.50% APY	+171,726	56,076,680
	A rate change posted at Ganymede reached this branch 30 days after the period had closed. The period has been calculated at both rates and the higher has been paid. The lower was never in dispute. Ref. CIBT-3027-FA1A-3

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
