Date	Description	Amount (s)	Balance (s)
09 Oct	ATM withdrawal: Tallinn Sector	-259,200	18,855,115
	The machine at Tallinn Sector recorded the withdrawal against the local date, and the statement carried it across to ours a day early. The entry has been moved back to the day you stood at the screen. The balance on that day was never in question. Ref. CIBT-3000-2C77-2		
14 Oct	Transfer to own account: Tallinn Sector	-848,692	18,006,423
	Sundry charges between worlds are converted to four places and rounded to the whole day at the sender's end. The receiver rounds again on arrival, so the sum credited to you is a fraction less than the sum that left Tallinn Sector. Ref. CIBT-3000-A5FA-8		
24 Oct	Payroll credit: the Europa Ice Authority	+157,317	18,163,740
	The credit was held in suspense for 40 days because the transfer was caught by a routine check of its origin, and has now been released. No charge has been made for the hold. Ref. CIBT-3000-9A94-6		
31 Oct	Interest at 4.20% APY	+66,900	18,230,640
	Interest is credited on the 31st of each month and added to the balance without request or notice. The credit is automatic, and the Bank has never once been asked to make it late. Ref. CIBT-3000-3F06-8

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
