Date	Description	Amount (s)	Balance (s)
08 Nov	ATM withdrawal: The Belt	-172,800	18,407,957
	The wind moved the pole the machine stands on at The Belt, and the machine would not pay while it swayed. Your withdrawal was delayed 29 days until the wind dropped, and the cash was paid as it stopped. Ref. CIBT-3002-ED94-3		
08 Nov	Slippage fee (The Belt, 1 transfers)	-600	18,407,357
	A complaint about the 600 s was answered by a letter that agreed with the complaint and then charged it anyway, the letter being a receipt and not a refund. The holder has kept both, one above the other. Ref. CIBT-3002-F2DB-1		
09 Nov	ATM withdrawal: The Belt	-259,200	18,148,157
	You always withdraw an amount ending in a round number of seconds. The officers have put this down to preference, though the file is not clear on whether it was yours to begin with. Ref. CIBT-3002-7839-6		
15 Nov	Payroll credit: the Europa Ice Authority	+157,317	18,305,474
	You have asked three times for the wage to be paid into the joint account. The branch has written three times to say it is already in yours, and you have not contested the answer, which the branch records as agreement, though it would have liked a word. Ref. CIBT-3002-C45A-4		
26 Nov	Deposit: Hall E	+680,672	18,986,146
	You always deposit your coins in the order you received them, so that the officers may count the oldest first. They have asked whether this is a custom in your family, and you have not said. Ref. CIBT-3002-52D2-8		
30 Nov	Interest at 4.20% APY	+65,032	19,051,178
	Interest on the Belt balance was paid in 0.955 shifts and the rest in our seconds. The posting day is the Head Office's, and the officer there reminds depositors that the second is a little longer on that world than they might expect. Ref. CIBT-3002-D6F9-6
