Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
9,186,625 s	**+189,470 s**	**-405,885 s**	**8,970,210 s**

Date	Description	Amount (s)	Balance (s)
03 Jul	Payroll credit: the Europa Ice Authority	+157,317	9,343,942
	The Europa Ice Authority pays at the close of the Head Office day. The employer calls this the close of business and the Bank calls it the usual time, and the credit is dated to it. Ref. CIBT-3012-504A-6		
05 Jul	Transfer to own account: Europa	-143,985	9,199,957
	You leave a pencil on the counter at Hall E after every transfer, with the point turned towards the officer. The officer has never asked why, and has begun to keep a sharpener in the same place. Ref. CIBT-3012-5326-6		
07 Jul	ATM withdrawal: Europa	-86,400	9,113,557
	The machine did not recognise the signature on the withdrawal of One Standard day at Europa, which was yours, and has asked the Bank which of the two of you it should have believed. The Bank has not yet decided. Ref. CIBT-3012-BA20-7		
16 Jul	Slippage fee (Europa, 9 transfers)	-2,700	9,110,857
	The Europa Ice Authority sends its staff in cycles from Europa, and each month a slippage figure is printed on the pay line. This month's is 0.30 seconds, and the employer's office has asked that it be recorded under its own name. Ref. CIBT-3012-C6C4-8		
21 Jul	ATM withdrawal: Europa	-172,800	8,938,057
	Where the machine's denomination falls short of a request, a half is paid up, not down. This withdrawal fell exactly on the half, and was paid up. Ref. CIBT-3012-D017-8		
31 Jul	Interest at 4.20% APY	+32,153	8,970,210
	A rate change posted at Europa reached this branch 31 days after the period had closed. The period has been calculated at both rates and the higher has been paid. The lower was never in dispute. Ref. CIBT-3012-7AE8-3		

Closing balance, month by month

Highest 13,500,464 s · lowest 8,970,210 s

August 3011 July 3012

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
