Opening balance	Credits	Debits	Closing balance
18,736,509 s	**+222,894 s**	**-791,497 s**	**18,167,906 s**

Date	Description	Amount (s)	Balance (s)
05 Jan	Slippage fee (Mars Station, 1 transfers)	-600	18,735,909
	Your 1 transfers stood 30 Standard days at the quay while a tug was found to tow them across the lock. The tug is listed on the statement as a charge; the seconds are not. Ref. CIBT-3024-56F8-4		
11 Jan	ATM withdrawal: Mars Station	-259,200	18,476,709
	You never draw cash on a Monday. You come in on Tuesdays, when the hall is quiet, and stand where the custodian stands while he services the slot, so that the two of you are often taken for part of the maintenance. Ref. CIBT-3024-9540-1		
13 Jan	Payroll credit: the Europa Ice Authority	+157,317	18,634,026
	The Europa Ice Authority credit arrives on the 13th of each month under a standing instruction set up in 3022. It is paid into 8564-1663-2136 with the same reference each time, which the payroll office has never once been asked to repeat. Ref. CIBT-3024-81CB-9		
27 Jan	Transfer to own account: Mars Station	-358,897	18,275,129
	The second officer signed this adjustment with the same pen as the last one, and asks that the pen be retired. Nobody has yet said where it should go. Ref. CIBT-3024-F614-6		
29 Jan	ATM withdrawal: Mars Station	-172,800	18,102,329
	The Europa Ice Authority has its own machine on the same concourse, installed the same month as this one. The firm's machine has never been asked to match one of your withdrawals, and the Bank has not asked it to try. Ref. CIBT-3024-C791-9		
31 Jan	Interest at 4.20% APY	+65,577	18,167,906
	Interest on the 31st fell exactly on a half-second and was rounded toward whichever holder came next in the register. The officer keeps that rotation in pencil, and this time the pencil was in your favour, which the officer records without comment. Ref. CIBT-3024-1AD6-7		

Closing balance, month by month

February 3023 January 3024

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
