Date	Description	Amount (s)	Balance (s)
16 Jun	Deposit: Hall E	+8,351,136	314,997,595
	Ganymede Heights Infirmary sends its staff's savings through this window once a year, in one envelope, with a note asking that the Bank not tell the staff how much. The Bank has not told them, and the staff have never once asked, which the firm regards as the arrangement working. Ref. CIBT-2999-9446-6		
28 Jun	ATM withdrawal: Kepler Ring	-172,800	314,824,795
	The Teller notes that the cash came out of Kepler Ring in the order you asked for it, which she has seen only once before, in 2995, and only from you. Ref. CIBT-2999-DB12-4		
30 Jun	Interest at 4.30% APY	+1,098,816	315,923,611
	You have asked for the interest to be checked by hand on the first of each period, against a card you keep in your own hand. The Bank does so, and the result has never differed from the machine's. The officer now writes the figure in the margin before being asked. Ref. CIBT-2999-39F5-2

July 2998 June 2999

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
