Zeno Fothergill
Unit 394, Pallas Ring 10

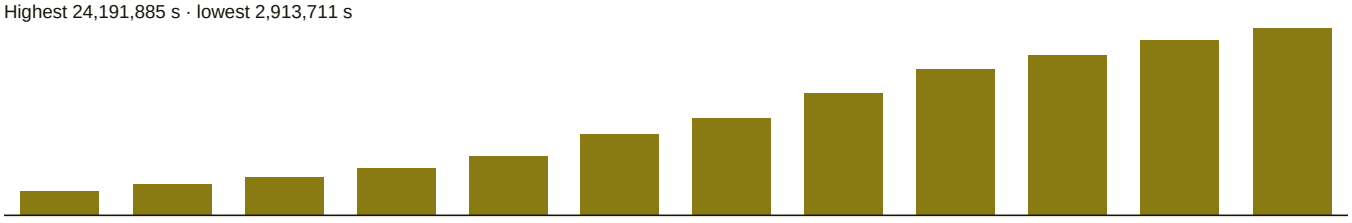

Account 8564-1663-2847
Period 1–31 January 3010
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
22,683,099 s	**+1,677,752 s**	**-168,966 s**	**24,191,885 s**

Date	Description	Amount (s)	Balance (s)
01 Jan	Transfer to joint account	-142,604	22,540,495
	The L4 Habitat share reaches 8564-1133-1296 a day after it is sent, because that office counts its day from the dock and the dock has not yet agreed to stop. You do not mind the wait, and Yara Gunnarsdottir has set the calendar to it. Ref. CIBT-3010-F5C1-5		
10 Jan	Payroll credit: Cloudport Aerostat Lines	+237,674	22,778,169
	The Cloudport Aerostat Lines remittance was held 30 days at L4 Habitat, where the office had opened its quarter-end audit and would not release money while the books were open. Nothing is owed on the wait; the wages sat in the suspense ledger, and the interest on them has been paid. Ref. CIBT-3010-A608-9		
12 Jan	Deposit: Hall E	+1,351,236	24,129,405
	The Teller reads the note inside the envelope, which says "for the trip", and states that she has no idea which trip is meant. The sum is correct. She expects the trip will be too, and has credited the deposit with that expectation in mind. Ref. CIBT-3010-A48E-8		
14 Jan	Slippage fee (L4 Habitat, 8 transfers)	-7,200	24,122,205
	The Teller asks whether you would like the crossings explained or simply paid for. When you said paid for, she said that suited her, since explaining a crossing has never once made it shorter. Ref. CIBT-3010-6DD3-7		
26 Jan	Turbulence Cover	-19,162	24,103,043
	The premium on the Ceres route is drawn each month from a card in the name of a ship broken up in 3008. The card's issuer has asked the Bank to confirm the ship is still on the run; the Bank has confirmed that the policy has not been told otherwise. Ref. CIBT-3010-9248-1		
31 Jan	Interest at 4.70% APY	+88,842	24,191,885
	You never read the interest line on the way out of the branch. You read it on the step, in the light, and then come back in to confirm that it still is. Ref. CIBT-3010-5F2E-8		

Closing balance, month by month

February 3009 January 3010

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
