Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
29,317,853 s	**+730,289 s**	**-315,404 s**	**29,732,738 s**

Date	Description	Amount (s)	Balance (s)
05 Jan	Payroll credit: Cloudport Aerostat Lines	+237,674	29,555,527
	Nothing has been taken from the Cloudport Aerostat Lines wage for handling. The envelope came in with the pension, and the Bank has never charged twice for one envelope, however many sums it holds. Ref. CIBT-3017-E766-5		
07 Jan	Deposit: Hall E	+377,787	29,933,314
	A single turn of unusual weight came in with the envelope on the 7th and is held in the Hall E strongroom, where it weighs what it weighed on arrival. That is the Bank's principal finding about it, and the officer has asked that it be recorded before anyone tries. Ref. CIBT-3017-2CE8-5		
21 Jan	ATM withdrawal: Kepler Ring	-172,800	29,760,514
	The remainder of 172,800 was returned to your balance, rounded to the nearest second and not a fraction beyond it. The difference is smaller than a breath and is not shown on the receipt. Ref. CIBT-3017-95FF-3		
30 Jan	Transfer to joint account	-142,604	29,617,910
	An auditor queried the opening mandate, which bears a signature from each holder in what looks like the same hand. The query was closed on the second look, which was the same as the first. Ref. CIBT-3017-9DF4-0		
31 Jan	Interest at 4.70% APY	+114,828	29,732,738
	The auditors checked the accrual on this account against the rate table for 3015. They found the table correct and the account correct on the first reckoning, and asked for the table to be reprinted with its errors left in, for the record. Ref. CIBT-3017-D931-8

February 3016 January 3017

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
