Period 1–31 July 3020
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
49,266,157 s	**+3,552,923 s**	**-171,700 s**	**52,647,380 s**

Date	Description	Amount (s)	Balance (s)
01 Jul	Payroll credit: Cloudport Aerostat Lines	+237,674	49,503,831
	Cloudport Aerostat Lines has changed its name, its colour and its opinion of the Authority in the last decade, but its wage day has not moved from the last working day of the month. The payroll office describes this as the one thing it has never seen a reason to revisit. Ref. CIBT-3020-30BD-0		
03 Jul	Transfer to joint account	-142,604	49,361,227
	At Tallinn Sector a joint payment is made to the account as one sum and divided by the local office, which does not recognise a split. The Bank has sent it that way for 38 years, and the holders accept being paid as one thing on that world. Ref. CIBT-3020-7D9D-5		
03 Jul	Deposit: Hall E	+3,107,285	52,468,512
	The envelope was opened at the window, as the rule requires, and the sum was found in the other pocket of the coat it had been carried in. The Teller asks that the coat be entered as a second depositor. Ref. CIBT-3020-5BBE-1		
10 Jul	New Time™ exchange	+15,005	52,483,517
	A fee of 0.30 s was taken for holding New Time™ beyond the notice's date, and returned when the notice was found to have been dated in the previous fiscal year, which made the holding current after all. Ref. CIBT-3020-67F3-7		
13 Jul	Slippage fee (Tallinn Sector, 4 transfers)	-2,400	52,481,117
	Your subscription to the Tallinn Sector relay's weekly bulletin is charged as a crossing each week. The slippage on it is 0.30 s, and the bulletin arrives in full every time, which is more than can be said for most of the Bank's correspondence. Ref. CIBT-3020-DB1B-6		
15 Jul	Turbulence Cover	-26,696	52,454,421
	The carrier's log gave 8 minutes of delay on this route, and the policy had been charged on 4 hours. The log was wrong and the policy was right. The premium stands and the claim is closed. Ref. CIBT-3020-3EDF-5		
31 Jul	Interest at 4.70% APY	+192,959	52,647,380
	The period closed on the 31st, but the rate was not fixed until the relay at Tallinn Sector had finished its night's count. The relay does this slowly and without interruption. Ref. CIBT-3020-9356-2		

Closing balance, month by month

August 3019 July 3020

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
