BANK OF TIME

STATEMENT OF ACCOUNT
Standard Time Deposit

Teodor Oyelaran-Hightower
Unit 175, Pallas Ring 10

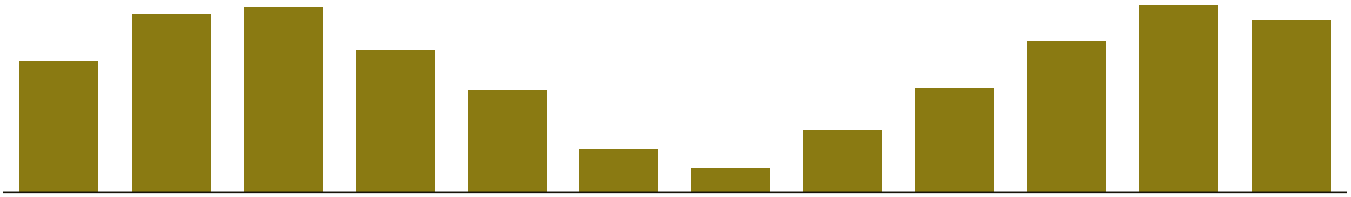

Account 8564-1663-4090
Period 1–31 August 2991
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
10,567,910 s	**+127,159 s**	**-538,196 s**	**10,156,873 s**

Date	Description	Amount (s)	Balance (s)
09 Aug	Slippage fee (Kepler Ring, 5 transfers)	-1,500	10,566,410
	You ask for each fee to be read out in seconds, though the posted rate is printed in minutes for the first 23 days of the month. The officer converts it aloud, and you correct her conversion by 0.947, which the Bank has not been able to refute and has not tried to. Ref. CIBT-2991-999D-2		
09 Aug	Transfer to joint account	-55,688	10,510,722
	The joint account's monthly sum was reconciled against Kepler Ring time, where a month has 10 more days than it does at Hall E. The Bank has accepted the reconciliation, but not the month. Ref. CIBT-2991-7FB3-5		
10 Aug	Payroll credit: Brymar College	+92,814	10,603,536
	A standing wage credit from Brymar College to 8564-1663-4090 is paid on the first Monday of each month in turns. It was set up by a payroll clerk whose name appears on the mandate and nowhere else in the file. Ref. CIBT-2991-8E9A-0		
19 Aug	ATM withdrawal: Kepler Ring	-86,400	10,517,136
	The auditors ask that this line be read with the one above it. Together they total 86,400, which is under the daily limit. The auditors note that the limit was approached, and have recorded that it was. Ref. CIBT-2991-8C09-1		
21 Aug	ATM withdrawal: Kepler Ring	-86,400	10,430,736
	You have drawn from the Automated Temporal Machine at Kepler Ring at the same minute after the hour on every visit since 2988. The machine's log has noticed, and has recorded it without comment, as it records everything. Ref. CIBT-2991-D2D6-3		
24 Aug	Transfer to own account: Kepler Ring	-289,567	10,141,169
	Brymar College charges its staff a sundry on each pay advice for the envelope it arrives in. The firm has asked whether the envelope may be returned for reuse. The Bank has said it is sent only once, and the firm has said it will look into that. Ref. CIBT-2991-0657-3		
27 Aug	Turbulence Cover	-18,641	10,122,528
	You pay each premium in the coins you were given the day before, which the Bank accepts on the grounds that the coins have been warm in your pocket and are, in the policy's view, the more present money. Ref. CIBT-2991-B7D3-3		
31 Aug	Interest at 3.90% APY	+34,345	10,156,873
	The interest is correct to the second. The principal it is paid on is held in a ledger the officer has not been able to find, though the balance is in the Bank's books and the monthly figure has never once been short. The officer asks that you not look for the ledger. It is in the building. Ref. CIBT-2991-D536-9		

Closing balance, month by month

September 2990 August 2991

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
