Standard Time Deposit

Wren Vantongeren
Unit 393, Pallas Ring 10

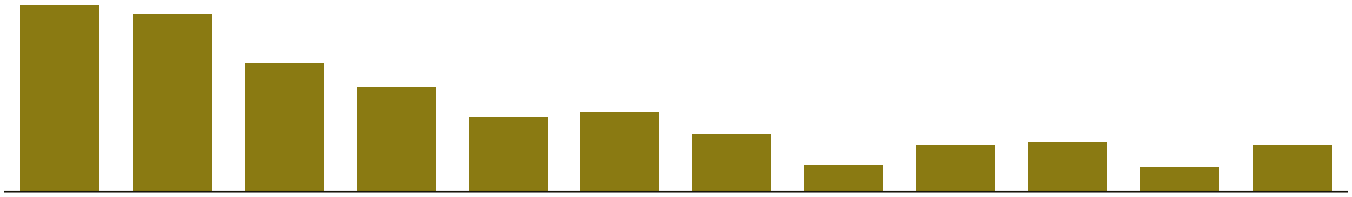

Account 8564-1663-4124
Period 1–30 September 2972
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
103,180,714 s	**+5,871,900 s**	**-300,528 s**	**108,752,086 s**

Date	Description	Amount (s)	Balance (s)
02 Sep	Temporal Health Plan	-41,328	103,139,386
	The consultation was billed for 3 sessions and given for 38. The plan's file showed the higher figure, and the plan now shows the true one, and the difference has been returned to the member. Ref. CIBT-2972-C5EB-7		
04 Sep	Mech Veterans' Time Pension	+363,112	103,502,498
	Your pension is paid on the first working day of each period into 8564-1663-4124, in whole turns. The sum has not changed since 2968, which the Pensions Office describes as steadiness and the account describes as the same figure again. Ref. CIBT-2972-5B6B-1		
18 Sep	Deposit: Hall E	+4,179,227	107,681,725
	No handling charge applies to this deposit. The coins came already rolled in paper, which the counter regards as doing half its work for it. Ref. CIBT-2972-B92B-1		
21 Sep	Payroll credit: Harbourfront Shipping	+1,028,618	108,710,343
	The Harbourfront Shipping station at Kepler Ring pays its wages in a lump every 2 days, in a unit the station calls a shift. The Bank converts the lump into Standard days and returns the balance with a note that it is not a loan. Ref. CIBT-2972-3779-0		
25 Sep	ATM withdrawal: Kepler Ring	-259,200	108,451,143
	Withdrawn in full before the bonus was paid. The bonus from Harbourfront Shipping, posted on the 25th, appears on the next statement, and the Bank has made no comment on its size. Ref. CIBT-2972-13C4-1		
30 Sep	Interest at 3.50% APY	+300,943	108,752,086
	Interest on the Lagrange deposit is held in the station's own dark, where it accrues without a clock, and is brought across on the first morning of each period. The rate it earned is the one posted, and nobody has yet found a station that wants the dark back. Ref. CIBT-2972-6FDC-1		

Closing balance, month by month

October 2971 September 2972

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
