Opening balance	Credits	Debits	Closing balance
94,286,214 s	**+1,742,436 s**	**-11,730,725 s**	**84,297,925 s**

Date	Description	Amount (s)	Balance (s)
06 Sep	Mech Veterans' Time Pension	+438,817	94,725,031
	Your pension is paid from Titan, where the office keeps its own calendar and sends its statements by the slow post. This statement describes a month that ended some while ago. The office has been asked to hurry, and has replied that it is hurrying, and the veteran has asked us to say the month was a good one. Ref. CIBT-2980-407F-6		
10 Sep	Slippage fee (Titan, 9 transfers)	-8,100	94,716,931
	Your habit is to send each transfer back the way it came, to be sure it arrived. The relay counts that as a second crossing and charges for it, and you regard the charge as the price of certainty, which the Bank has no argument against. Ref. CIBT-2980-8194-5		
12 Sep	ATM withdrawal: Titan	-172,800	94,544,131
	A sum of 2 Standard days is drawn each month at Titan on the same card and paid out in the same whole cycles. The Bank has been able to predict the figure to the second for 29 years. Ref. CIBT-2980-A081-9		
13 Sep	Temporal Health Plan	-24,050	94,520,081
	Auditors' note: the 5 sessions on this claim were checked against the provider's log and found to match in number, if not in order. The order has been recorded as the plan's own. Ref. CIBT-2980-F5EB-9		
14 Sep	Payroll credit: Harbourfront Shipping	+1,028,618	95,548,699
	A deduction of 1,028,618 is taken by Harbourfront Shipping on the 14th of each month and paid into 8564-9048-6821. The deduction ends when the instalment does, which the file records, and the Bank is in no hurry about it. Ref. CIBT-2980-49EF-9		
15 Sep	Transfer to own account: Titan	-11,352,975	84,195,724
	You pay the sundry at the counter, then ask the teller to read the slip back to you in full. She reads it. You thank her. The officers have timed this at eleven seconds and have not billed for them. Ref. CIBT-2980-A687-1		
17 Sep	ATM withdrawal: Titan	-172,800	84,022,924
	At Titan the machine's day begins when the station's ring has turned, which is some way after ours. The withdrawal made on the 17th therefore posted on the day before it was made, and the Bank has allowed the difference. Ref. CIBT-2980-83F0-6		
30 Sep	Interest at 3.50% APY	+275,001	84,297,925
	Every quarter you ask what the interest would have been if it had been paid out, a question the Bank answers in full and that you have never acted on. The answers are kept in a folder with your name on it, and the folder is getting thick. Ref. CIBT-2980-FA23-7		

Closing balance, month by month

Highest 121,672,788 s · lowest 84,297,925 s

October 2979 — September 2980

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
