Period 1–30 November 2998
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
181,826,150 s	**+4,581,003 s**	**-37,102 s**	**186,370,051 s**

Date	Description	Amount (s)	Balance (s)
04 Nov	Mech Veterans' Time Pension	+348,979	182,175,129
	The statement for 2995 showed the pension in sols, which it was. The rate printed beside it was the rate for the year before, which it was not. The rate has been amended and the sum left alone, which is how the Office prefers to correct things. Ref. CIBT-2998-B647-7		
11 Nov	Slippage fee (Mars Station, 9 transfers)	-8,100	182,167,029
	You sent each transfer by the same relay on the same afternoon. The relay has learned to expect your fee and to set its own timekeeping by it. The auditors have asked whether the relay's timekeeping should be listed as a depositor's asset, and have been told it should not. Ref. CIBT-2998-844D-8		
15 Nov	Temporal Health Plan	-29,002	182,138,027
	A standing premium for 33 people is paid by Harbourfront Shipping each month, with your share taken from your pay. The share has been the same since 2995, and the plan has stopped asking whether the policy is still needed. Ref. CIBT-2998-DEFD-5		
16 Nov	Payroll credit: Harbourfront Shipping	+1,028,618	183,166,645
	Harbourfront Shipping asks the Bank to note that the wage on this statement is the sum due, not the sum promised. The two were discussed and found to differ. The difference is 1,028,618 and is payable in the next period, if the discussion has ended by then. Ref. CIBT-2998-4560-7		
21 Nov	Deposit: Hall E	+2,673,080	185,839,725
	Harbourfront Shipping's pension scheme pays its share into this account on the last working day of the year. The scheme has asked that the deposit be kept quiet until the following morning, and it has been. Ref. CIBT-2998-7F33-7		
30 Nov	Interest at 3.50% APY	+530,326	186,370,051
	The Tycho window pays interest by the lunar day, which runs slower than ours, so each statement here is a little older than the same month at Head Office. The Tycho officers say that a balance this patient is worth the wait, and they have seen a good many. Ref. CIBT-2998-B77A-1

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
