Date	Description	Amount (s)	Balance (s)
07 May	Transfer to own account: Oakland Sector	-8,121,239	156,028,273
	Harbourfront Shipping asked the Bank to hold this sundry until its own year-end, and the Bank agreed, on condition that it be dated to the day the request was made. It is. Ref. CIBT-3028-6364-6		
15 May	New Time™ exchange	+17,232	156,045,505
	Your exchange waited 31 days while the office established that the notice had been read aloud at the counter in Oakland Sector and not posted, which the recall rules count as posting. It was written down that afternoon, and the rules are now satisfied. Ref. CIBT-3028-7A64-1		
16 May	Payroll credit: Harbourfront Shipping	+1,028,618	157,074,123
	The Harbourfront Shipping wage was held 28 days while the timesheet was moved from the week before to the week it described. The wage was then paid for the right week, and the week before was paid for nothing, which the firm regards as a clean finish. Ref. CIBT-3028-099A-2		
19 May	Mech Veterans' Time Pension	+330,969	157,405,092
	On Oakland Sector the pension is dated to the local dawn, which the office regards as the hour a veteran is most likely to be awake and least likely to dispute the figure. The statement shows both days side by side, which is more than the veteran asked for. Ref. CIBT-3028-CEF6-5		
23 May	Temporal Health Plan	-33,603	157,371,489
	The plan has listed your premium as the same figure for 5 years running. The figure is not a finding; it is a habit of the plan's, and the auditors have recorded it as one. Ref. CIBT-3028-55A6-0		
31 May	Interest at 3.50% APY	+478,769	157,850,258
	Your monthly transfer of 478,769 from 8564-9048-6821 arrived on the 31st, and the interest on it was credited from the same morning, though the transfer itself was never asked to earn anything. Ref. CIBT-3028-192D-9

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
