Opening balance	Credits	Debits	Closing balance
0 s	**+96,027,162 s**	**-278,830 s**	**95,748,332 s**

Date	Description	Amount (s)	Balance (s)
03 Jul	Deposit: Hall E	+89,696,466	89,696,466
	A fortnightly sum comes in from Jarrah Tranter, with a note of a few words. This fortnight's note was the same length as the last, and the officer has stopped reading it aloud. Ref. CIBT-3027-699A-7		
09 Jul	ATM withdrawal: Mars Station	-259,200	89,437,266
	The Teller hands the cash across as if it were a letter. The machine, she says, counts faster than she does, and has never once been wrong about who you are. Ref. CIBT-3027-A906-8		
21 Jul	Temporal Health Plan	-17,230	89,420,036
	You have never queried a premium, though the plan's letter invites a query every year and is amended every year to say that you are not expected to send one. Ref. CIBT-3027-C2A5-9		
24 Jul	Slippage fee (Mars Station, 8 transfers)	-2,400	89,417,636
	Wages from St. Catherine Bakeries come to you with the slippage already taken at source, so this line concerns only the seconds you moved yourself. The officer has checked the division twice, and it is correct. Ref. CIBT-3027-D550-6		
30 Jul	Payroll credit: St. Catherine Bakeries	+6,330,696	95,748,332
	St. Catherine Bakeries sent a slip with the wage asking that the sum be read as "net of kindness". The Bank has no field for kindness and has posted the figure as sent, which the slip's author may take as a reply. Ref. CIBT-3027-4E1E-3		
31 Jul	Interest at 4.50% APY	+0	95,748,332
	Where a month has more days than the one before, the interest runs at the old rate for the first 21 days and at the new rate after. Nobody has yet asked the Bank which month had the extra days, and the Bank has not offered to say. Ref. CIBT-3027-804A-5		

Closing balance, month by month

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
