Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
36,586,874 s	**+4,881,048 s**	**-823,582 s**	**40,644,340 s**

Date	Description	Amount (s)	Balance (s)
02 Jun	Transfer to joint account	-303,382	36,283,492
	"Joint accounts are the only ones where the statement is read twice before anyone looks at the balance," the Teller says. "Once by each of you, and then by each of you to see that the other has." Ref. CIBT-2987-CEDE-1		
11 Jun	ATM withdrawal: L4 Habitat	-259,200	36,024,292
	Your request at L4 Habitat was held 30 Standard days because the lock was emptied for a sounding that had been cancelled. The machine has since been told the cash was yours, and it has paid it out. Ref. CIBT-2987-363B-0		
12 Jun	Slippage fee (L4 Habitat, 2 transfers)	-1,800	36,022,492
	The fee on 2 crossings has been reduced by 900 seconds, because two transfers were sent on the same day from the same branch. The saving belongs to the Bank, and the Bank has passed it on. Ref. CIBT-2987-8EEE-1		
15 Jun	Deposit: Hall E	+4,746,897	40,769,389
	The entry for the 15th was posted to the holder's old number after a change of account. The entry was amended at the holder's request, and at no charge, and the sum moved with it, so the old number now shows nothing at all. Ref. CIBT-2987-3274-6		
24 Jun	ATM withdrawal: L4 Habitat	-259,200	40,510,189
	Your employer's own cash point has moved across the concourse, leaving the machine at L4 Habitat to the holders who stayed. You are one of them, and the firm has asked to be told that it was missed. Ref. CIBT-2987-5115-2		
30 Jun	Interest at 4.40% APY	+134,151	40,644,340
	Your employer's quarterly cheque arrived with the interest already netted off, and the teller has asked that the two be shown on separate lines. They now are, and the total is unchanged. Ref. CIBT-2987-4C49-6		

Closing balance, month by month

Highest 40,644,340 s · lowest 14,723,881 s

July 2986 June 2987

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
