Standard Time Deposit

Xan Mbatha
Unit 396, Pallas Ring 10

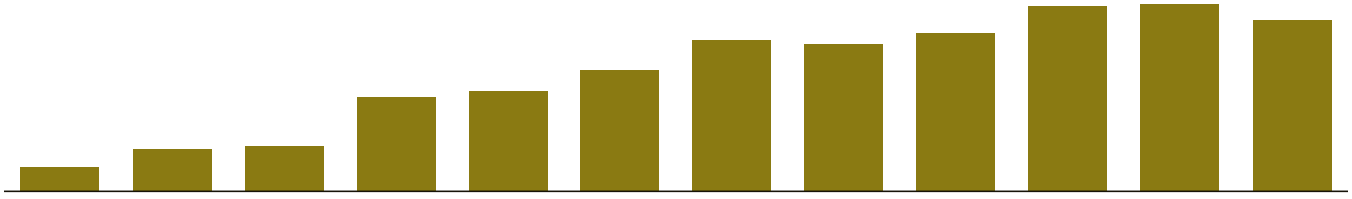

Account 8564-1663-5931
Period 1–31 August 2991
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
84,214,861 s	**+814,425 s**	**-3,072,918 s**	**81,956,368 s**

Date	Description	Amount (s)	Balance (s)
07 Aug	Transfer to joint account	-303,382	83,911,479
	Auditors' finding: the balance of the joint account is shared between two holders who share neither a branch nor a clock, and the figure agrees with both of them. The auditors describe the arrangement as unusual but in order. Ref. CIBT-2991-A2CD-3		
11 Aug	Turbulence Cover	-8,746	83,902,733
	The carrier explained that the 44 minutes were spent waiting for a dust cloud to clear the field at Montréal Sector. The claim is paid in full, the policy not distinguishing between dust and delay. Ref. CIBT-2991-F1DF-0		
13 Aug	Payroll credit: the Lunar Freight Co-operative	+505,638	84,408,371
	Fee on the Lunar Freight Co-operative credit for the fortnight in which the office closed early: waived. The Bank did not close early, but the office says it did, and the Bank accepts the office's account of its own calendar. Ref. CIBT-2991-43FD-4		
13 Aug	Transfer to own account: Montréal Sector	-2,758,990	81,649,381
	A coin of 2,758,990 was found in a jam jar with a cloth tied over the mouth at the Hall E counter after your last visit, and has been entered as a sundry credit to you. It has been checked against the coin you described and matches, except for the wear, which you said was always there. Ref. CIBT-2991-B088-9		
19 Aug	Slippage fee (Montréal Sector, 2 transfers)	-1,800	81,647,581
	A crossing of exactly one second is charged as one second and a crossing of two as two, but a crossing of one and a half is charged at the lower figure, as the first schedule required and every schedule since has kept. Ref. CIBT-2991-77DB-7		
31 Aug	Interest at 4.40% APY	+308,787	81,956,368
	Interest was credited on the first day of the period rather than the last, at the depositor's own request. The request was made in pencil and confirmed in ink, and the officer has noted that the second copy is the one that counts. Ref. CIBT-2991-8CEC-2		

Closing balance, month by month

Highest 84,214,861 s · lowest 60,120,946 s

September 2990 August 2991

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
