Opening balance	Credits	Debits	Closing balance
83,687,404 s	**+812,491 s**	**-4,699,281 s**	**79,800,614 s**

Date	Description	Amount (s)	Balance (s)
08 Jan	Transfer to own account: London Sector	-3,786,299	79,901,105
	A replacement token for box 88-977 was issued at Hall E after the original was reported lost; the charge is the only one the Bank will levy for a replacement. Ref. CIBT-2992-9AEF-5		
10 Jan	ATM withdrawal: London Sector	-172,800	79,728,305
	Correction: the withdrawal on the 10th was rounded down by the machine to whole days, a rule the Bank had not known it had until this statement. The difference, 0.989 day, is credited on this line, and the withdrawal is shown as it was made. Ref. CIBT-2992-0498-7		
13 Jan	Payroll credit: the Lunar Freight Co-operative	+505,638	80,233,943
	The Lunar Freight Co-operative office on Mars pays in the local sol, which the Bank converts into Standard days by a rounding the employer has asked to see in writing. It has been put in writing, and the employer has not asked again. Ref. CIBT-2992-0D8E-5		
13 Jan	Memory Vault: box 88-977, quarter	-259,200	79,974,743
	You come to the desk on the first day of the quarter and ask whether box 88-977 is in good order. The counter answers yes before you have finished the question, and you thank it before the answer, which the officer has come to hear as the end of the visit. Ref. CIBT-2992-A9F8-2		
16 Jan	Slippage fee (London Sector, 8 transfers)	-4,800	79,969,943
	The seconds lost on 8 crossings have been returned to you in a single figure of 0.30 s, the crossings all having run in one direction, and the Bank not charging twice for going the same way. Ref. CIBT-2992-ABE8-0		
20 Jan	ATM withdrawal: London Sector	-172,800	79,797,143
	You take 2 Standard days out on the morning the local market opens, and it is kept under a glass paperweight from a seaside town until the afternoon, when the shops are open and you are ready to spend it. Ref. CIBT-2992-F6D7-1		
26 Jan	Transfer to joint account	-303,382	79,493,761
	You leave the joint statement on the counter once you have read it. Ivo Abernethy picks it up and reads it again. The officer keeps it for the file rather than give it back to either of you. Ref. CIBT-2992-BAD7-8		
31 Jan	Interest at 4.40% APY	+306,853	79,800,614
	The Lunar Freight Co-operative holds a standing order that credits your interest on the 31st, and its treasurer has asked to see the figure before it is shown to you. The Bank has explained that a statement is not a document the depositor may be kept from, and the treasurer has agreed, with reservations he has put in writing. Ref. CIBT-2992-6812-3

February 2991 January 2992

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
