Period 1–30 June 2995
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
92,903,627 s	**+846,284 s**	**-2,201,464 s**	**91,548,447 s**

Date	Description	Amount (s)	Balance (s)
14 Jun	Turbulence Cover	-13,500	92,890,127
	A delay on the 14th was entered as 42 minutes because the dock gate would open only on the odd tide. The underwriters paid it at the policy rate and asked for the reason in writing, which arrived in pencil. Ref. CIBT-2995-F213-7		
17 Jun	Transfer to joint account	-303,382	92,586,745
	You and Ivo Abernethy have made the transfer to 8564-8933-4289 on the 17th of every month for 2 years, always from the same branch and always in the same order: your half first, then Ivo Abernethy's. Ref. CIBT-2995-FE1B-1		
19 Jun	Transfer to own account: Callisto	-1,884,582	90,702,163
	Note for the auditors: the sundry raised on the 19th carries the number 45 twice, once in the Head Office register and once in the register kept at Callisto, which numbers its slips in the reverse order. Both numbers refer to the same sundry, and the auditors have been told which one to keep. Ref. CIBT-2995-4F6D-1		
27 Jun	Payroll credit: the Lunar Freight Co-operative	+505,638	91,207,801
	The Teller has checked the wages against your contract, found them correct, and added in pencil, unasked, that the contract is better written than the work it describes. She has asked us to pass this on to the Lunar Freight Co-operative and has not said how she expects it to be received. Ref. CIBT-2995-4EFE-7		
30 Jun	Interest at 4.40% APY	+340,646	91,548,447
	Credited while you were at lunch, the interest was, in the Teller's view, the first sensible use anyone has made of the Bank's time this quarter. Ref. CIBT-2995-DB10-8

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
