Period 1–31 January 2996
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
82,023,033 s	**+806,389 s**	**-1,507,335 s**	**81,322,087 s**

Date	Description	Amount (s)	Balance (s)
01 Jan	Memory Vault: box 88-977, quarter	-259,200	81,763,833
	The lift that carries box 88-977 between sub-levels has been charged to the holder as a porter's journey. The holder disputes the charge on the grounds that the box did none of the walking, and the Vault is inclined to agree, and has entered the lift as a box. Ref. CIBT-2996-018C-8		
01 Jan	Transfer to joint account	-303,382	81,460,451
	Note for the auditors: the mandate on this account was countersigned twice, both times by the same two holders, and the second copy is the one on file. Ref. CIBT-2996-ED0A-8		
15 Jan	Turbulence Cover	-16,629	81,443,822
	The Teller reads the word "turbulence" aloud at each renewal, slowly, as though it might be used against us. It has never been used against anyone, and she continues to read it anyway. Ref. CIBT-2996-091B-8		
18 Jan	Payroll credit: the Lunar Freight Co-operative	+505,638	81,949,460
	Your charge for an early credit from the Lunar Freight Co-operative was dropped at the counter. The money had arrived before the period it paid for, and the Bank holds that a wage which comes early should not be fined for its enthusiasm. Ref. CIBT-2996-323E-9		
18 Jan	Transfer to own account: Tallinn Sector	-922,724	81,026,736
	The rate applied to this sundry was the rate of the previous quarter, which the teller noticed and reported to Ada Fennimore. The difference of 0.30 seconds has been credited back to you in full, and the old rate has been withdrawn from the table it came from. Ref. CIBT-2996-231A-3		
30 Jan	Slippage fee (Tallinn Sector, 9 transfers)	-5,400	81,021,336
	No question has been raised about the 5,400 s. The counter has been told that the relay is a long way away and that seconds are in no hurry, and it considers both sufficient reasons not to think about it. Ref. CIBT-2996-6C85-8		
31 Jan	Interest at 4.40% APY	+300,751	81,322,087
	The statement fee for this line is waived. Interest was credited to the second, and the Bank has never charged a depositor for a figure the Bank itself was pleased to produce. Ref. CIBT-2996-1E07-9		

Closing balance, month by month

Highest 99,565,050 s · lowest 81,322,087 s

February 2995 — January 2996

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
