Opening balance	Credits	Debits	Closing balance
101,320,933 s	**+1,426,722 s**	**-994,582 s**	**101,753,073 s**

Date	Description	Amount (s)	Balance (s)
03 Jan	Transfer to joint account	-303,382	101,017,551
	The office at Callisto sends a covering note with each share, written in the local manner, and the Bank files the notes with the statements. They are the only documents in the folder that ask after the weather. Ref. CIBT-2999-CF42-0		
09 Jan	ATM withdrawal: Callisto	-172,800	100,844,751
	Asked the reason for this withdrawal, the cashier said she had no reason to know, and that you seemed like someone who would not need one. Ref. CIBT-2999-BD37-1		
11 Jan	Deposit: Hall E	+549,574	101,394,325
	Io's window takes deposits through a hatch the colour of the vents, and the envelope is wiped down with a cloth before the Teller will touch it. The sum was counted in gloves and found to agree with the slip, which the Io office says is its own kind of miracle. Ref. CIBT-2999-42A5-1		
20 Jan	ATM withdrawal: Callisto	-259,200	101,135,125
	The Teller would like it recorded that the cash was never in doubt, only in transit, and that transit is the Bank's business and not the cash's. Ref. CIBT-2999-6A19-6		
20 Jan	Memory Vault: box 88-977, quarter	-259,200	100,875,925
	You never ask for a receipt for box 88-977, but you always wait while one is written. The counter has learned to write it slowly, and the wait has been entered as a visit. Ref. CIBT-2999-D99F-3		
21 Jan	Payroll credit: the Lunar Freight Co-operative	+505,638	101,381,563
	Pay from the Lunar Freight Co-operative came through the Positive Contact desk at Callisto, which holds wages in its own unit until the employer's contract is confirmed. The desk asks that the sum be shown without comment, and it is shown without comment. Ref. CIBT-2999-EBD2-4		
31 Jan	Interest at 4.40% APY	+371,510	101,753,073
	Interest on the balance is paid in arrears, which means the Bank pays you for a period you have already forgotten. You remember it on the 31st and come to the window to say so, and the Teller says the Bank had remembered it first. Ref. CIBT-2999-84F3-0		

Closing balance, month by month

Highest 115,833,915 s · lowest 101,037,050 s

February 2998 January 2999

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
