Unit 210, Pallas Ring 10

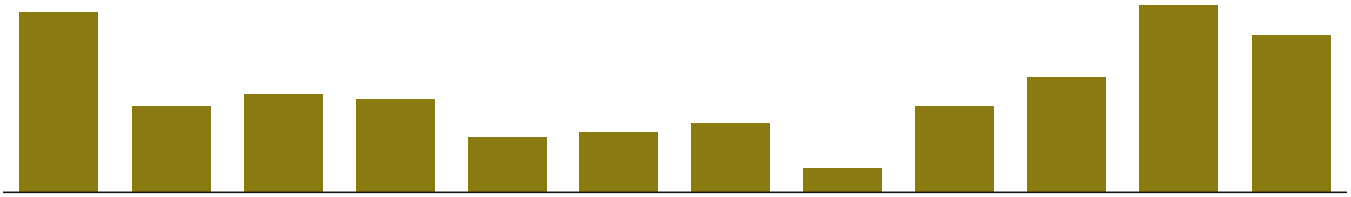

Account 8564-1663-5931
Period 1–30 June 2999
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
107,741,858 s	**+900,691 s**	**-2,378,696 s**	**106,263,853 s**

Date	Description	Amount (s)	Balance (s)
01 Jun	ATM withdrawal: Oakland Sector	-259,200	107,482,658
	You never draw the same denomination twice in a row from the Oakland Sector machine. The officers keep a short list of what you have drawn, and the list is complete, and it is the only list at the branch that anybody reads all the way through. Ref. CIBT-2999-9F69-9		
08 Jun	Slippage fee (Oakland Sector, 1 transfers)	-300	107,482,358
	A crossing is charged to the second, but a month of crossings is charged to the minute, so the seconds left over at the end are carried to the next month. This month they came to 0.962, and they will be added to the first crossing you make next, which the Bank has mentioned in advance so that you may prepare. Ref. CIBT-2999-6A79-2		
10 Jun	Payroll credit: the Lunar Freight Co-operative	+505,638	107,987,996
	For the auditors: the Lunar Freight Co-operative wages on this line were compared with the remittance advice, the employer's ledger and the Bank's own posting, and all four show the same sum to the second. The auditors asked why this was worth noting, and the answer is in the file. Ref. CIBT-2999-10C2-5		
21 Jun	ATM withdrawal: Oakland Sector	-259,200	107,728,796
	Matched for the auditors' sample against the receipt roll, which ran out on the 21st and was replaced without a new number. The spare's number has been restored, and the withdrawal stands as made. Ref. CIBT-2999-3FFC-9		
22 Jun	Transfer to joint account	-303,382	107,425,414
	For the joint mandate file: both signatures on the transfer to 8564-8933-4289 are in the same hand, though one holder was at Oakland Sector on the day. Each holder has said the other signed it, and the file has been asked to leave the matter as it stands. Ref. CIBT-2999-5B05-1		
24 Jun	Transfer to own account: Oakland Sector	-1,556,614	105,868,800
	A cheque drawn on the joint account was presented at the counter in the morning and returned in the afternoon, with a note from the Teller: "Not today, but thank you for asking." The Bank has no further record of it. Ref. CIBT-2999-CDAF-1		
30 Jun	Interest at 4.40% APY	+395,053	106,263,853
	On the Oakland Sector side of the account the interest is computed on the local clock and carried across by relay, so the balance here is always a little younger than the one there. The Bank has been asked to age it, and has declined, on the grounds that interest does not age. Ref. CIBT-2999-B22F-7		

Closing balance, month by month

July 2998 June 2999

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
