Date	Description	Amount (s)	Balance (s)
04 Aug	Turbulence Cover	-23,617	107,967,276
	A claim for 9 minutes was entered on the carrier's form as 9 hours, which made an ordinary delay look like a voyage. The form has been struck and the minutes paid, which are the ones the holder had in mind. Ref. CIBT-2999-B931-4		
07 Aug	Slippage fee (Oakland Sector, 7 transfers)	-4,200	107,963,076
	Transfers made on a Monday tend to arrive late. The officer suggests you send them on a day with better luck. You said Monday was the day you were paid, and the officer said that settled it. Ref. CIBT-2999-317B-2		
11 Aug	Transfer to joint account	-303,382	107,659,694
	When a joint share comes to a half-second, the odd second goes to whichever holder was born first. The mandate does not say which that is, and the holders have not agreed to look it up. Ref. CIBT-2999-EC06-9		
16 Aug	Deposit: Hall E	+3,137,599	110,797,293
	The deposit posted on the 16th appears in the ledger twice under different references, once from the counter and once from the night safe. The second line is marked as a copy, not removed, and it adds nothing to your balance. Ref. CIBT-2999-68FB-7		
28 Aug	Payroll credit: the Lunar Freight Co-operative	+505,638	111,302,931
	A new name for the Lunar Freight Co-operative appears on this credit. The Bank has recorded it, and the old name will not be used on your file again. Ref. CIBT-2999-4870-2		
31 Aug	Interest at 4.40% APY	+395,966	111,698,897
	The interest was on deposit for 27 periods after its due date, because the Bank was waiting to be sure the account was the one it had been told about. It was, and the Bank apologises for the wait in the usual form. Ref. CIBT-2999-E3A2-6
