Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
128,154,562 s	**+4,913,247 s**	**-404,834 s**	**132,662,975 s**

Date	Description	Amount (s)	Balance (s)
03 Mar	Slippage fee (Singapore Sector, 9 transfers)	-2,700	128,151,862
	Crossings from Singapore Sector are reckoned on the local day, which runs 42 Standard hours longer than the Head Office day. The fee for 9 transfers is set on that basis, and nobody at the relay has complained about it. Ref. CIBT-3000-F48C-0		
04 Mar	ATM withdrawal: Singapore Sector	-86,400	128,065,462
	Each month on the 4th the machine at Singapore Sector pays out the standing One Standard day, and each month the custodian leaves the bundle on the top shelf with your name on a slip. The slip has never needed to be moved. Ref. CIBT-3000-EC26-5		
15 Mar	Transfer to joint account	-303,382	127,762,080
	The credit for 303,382 arrived 29 days after its date, because both holders had to be present to confirm it, and only one had reached Hall E at the time. The second holder came in on the 15th, and the credit was made that afternoon. Ref. CIBT-3000-35B2-5		
20 Mar	Turbulence Cover	-12,352	127,749,728
	This claim took 30 days because the underwriter wished to know whether a broken gangway hinge counted as weather. It was ruled not to, and the carrier has paid for the hinge. Ref. CIBT-3000-5F5A-6		
21 Mar	Deposit: Hall E	+4,443,347	132,193,075
	You bring your savings in coin each month and count them out in stacks of ten, which the window has come to regard as the true statement of your savings. The statement has never once disagreed with the piles. Ref. CIBT-3000-8860-9		
31 Mar	Interest at 4.40% APY	+469,900	132,662,975
	Interest on the Ceres half is posted on the Ceres day, which the branch keeps in the old way and would not change for the Bank. The posting is therefore a day out of step with Head Office for most of the quarter, and is always right by its end. Ref. CIBT-3000-D5E3-6

April 2999 March 3000

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
