Date	Description	Amount (s)	Balance (s)
04 Dec	Transfer to joint account	-303,382	128,807,927
	Each month a fraction of a second is left over when the joint interest is divided between Ivo Abernethy and yourself. It is carried forward, and the Teller has never been asked to say whose it is. Ref. CIBT-3000-1098-5		
06 Dec	Payroll credit: the Lunar Freight Co-operative	+505,638	129,313,565
	The wage shown as 505,638 on the 6th was keyed against the remitter's pay date, a day early, and has been moved to its proper day. The month's total is unchanged. Ref. CIBT-3000-53D1-6		
06 Dec	Slippage fee (Montréal Sector, 3 transfers)	-2,700	129,310,865
	Your wages are earned on the Standard day and paid on the local one, and the crossing between them is charged at the rate for the day on which the wage was earned. The employer's office describes this as the only sum it has ever paid in advance. Ref. CIBT-3000-4F64-3		
11 Dec	ATM withdrawal: Montréal Sector	-259,200	129,051,665
	The Lunar Freight Co-operative keeps a machine at its dock for staff paid before the end of a shift, and this withdrawal was of wages already credited to you. The Bank does not charge twice for money that was owed to you in the first place. Ref. CIBT-3000-7D74-5		
13 Dec	Turbulence Cover	-8,060	129,043,605
	The premium falls due on the day of travel, which the Teller points out is also the day the policy is most needed. The Teller considers the timing exactly the wrong way round and entirely sensible. Ref. CIBT-3000-B5E1-2		
26 Dec	Transfer to own account: Montréal Sector	-2,952,093	126,091,512
	The Lunar Freight Co-operative asked that its sundries be charged to your account and reimbursed to its own, which the Bank did. It then asked for the reimbursement to be returned, on a form the firm later asked us to send back. The sundry is in your account, and the form is in the firm's drawer. Ref. CIBT-3000-997E-3		
31 Dec	Interest at 4.40% APY	+473,408	126,564,920
	The monthly fee was waived in a month when your balance fell, for one morning, to the figure it had held on the day the account opened. The Bank regards that as a return to first principles, and has charged nothing for the return. Ref. CIBT-3000-3CE2-2

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
