| Date | Description | Amount (s) | Balance (s) |
|---|---|---|---|
| 04 Jan | Transfer to joint account | -303,382 | 102,048,121 |
| | The holder who lives at Montréal Sector signs the joint mandate at the local office, where a station clerk witnesses it and records the time in the local day. The Bank files the form in ours. Both copies are correct, and the joint account agrees with each. Ref. CIBT-3029-398D-8 | | |
| 06 Jan | Payroll credit: the Lunar Freight Co-operative | +505,638 | 102,553,759 |
| | The fee on this credit from the Lunar Freight Co-operative is waived. The payroll office sent the sum with a note saying it had been checked by two clerks who did not speak to each other, and the Bank has taken that as the reason. Ref. CIBT-3029-86A8-7 | | |
| 13 Jan | ATM withdrawal: Montréal Sector | -86,400 | 102,467,359 |
| | Each withdrawal is rounded up to the next full second of cash-time for the machine's charge, so 0.974 of a second on a draw of One Standard day costs as much as the whole second. The machine has been reprogrammed twice to stop doing this, and has twice resumed. Ref. CIBT-3029-7DAA-9 | | |
| 13 Jan | Turbulence Cover | -20,041 | 102,447,318 |
| | The carrier's morning arrived after the Bank's afternoon, so the claim for the 13th was filed on one day and dated to the other. The two mornings were reconciled before the delay could be said to have happened on either. Ref. CIBT-3029-C59D-1 | | |
| 17 Jan | Slippage fee (Montréal Sector, 7 transfers) | -2,100 | 102,445,218 |
| | The officer checked the fee with one pencil and then with a second, and said that the second was for the first's benefit. It came to 2,100 seconds in both. Ref. CIBT-3029-1D84-1 | | |
| 17 Jan | Deposit: Hall E | +2,147,521 | 104,592,739 |
| | Counted at the window while the Teller was reading a letter from her sister about a kettle. The count is right. The kettle is not mentioned anywhere else on the file. Ref. CIBT-3029-E040-3 | | |
| 29 Jan | Memory Vault: box 88-977, quarter | -259,200 | 104,333,539 |
| | Rental for box 88-977 was held 30 days while the sub-level was cleared of an earlier tenant's boxes, which were returned in the order they had been asked for. Ref. CIBT-3029-69AB-8 | | |
| 31 Jan | Interest at 4.40% APY | +375,288 | 104,708,827 |
| | The rate on this account has not moved since 3026. The Bank regards this as a sign of confidence, and the account regards it as a sign of something else. Ref. CIBT-3029-918B-4 | | |
