Opening balance	Credits	Debits	Closing balance
148,054,484 s	**+9,562,026 s**	**-285,640 s**	**157,330,870 s**

Date	Description	Amount (s)	Balance (s)
02 May	ATM withdrawal: Nairobi Sector	-86,400	147,968,084
	Your One Standard day was drawn at Nairobi Sector a question about the rate that nobody asked, and the receipt was printed in full before you had finished reading it. The sum is the one on the statement. Ref. CIBT-3024-A376-6		
02 May	Turbulence Cover	-23,440	147,944,644
	Turbulence on the Nairobi Sector run is measured by a gauge on the quay, read while the courier's boots crossed the marble and came back, and reported in days. The claims desk converts the reading to minutes and back again for the file. The gauge has never disagreed with itself. Ref. CIBT-3024-B675-9		
13 May	Payroll credit: Titan Methane Works	+1,098,812	149,043,456
	The Teller has checked the credit against the advice and asks us to say that it is correct, and that she has no views on whether it ought to have been larger. Ref. CIBT-3024-0893-3		
17 May	Slippage fee (Nairobi Sector, 5 transfers)	-3,000	149,040,456
	The 5 transfers this month were kept in the lift to the sub-level for 29 Standard days while the relay's operator went for a replacement part that was not in stock. The operator has returned with it, and the transfers were released in the order they arrived. Ref. CIBT-3024-F6AC-7		
22 May	ATM withdrawal: Nairobi Sector	-172,800	148,867,656
	Withdrawals of 2 Standard days are made each Standard week at Nairobi Sector for a sum the holder has never named. The machine pays out without comment, and the holder says nothing in return, which the Bank takes as consent. Ref. CIBT-3024-BDF9-2		
24 May	Deposit: Hall E	+7,870,997	156,738,653
	Titan Methane Works has written its own name on the envelope and your initials under it, a combination the counter says it has seen only twice. The deposit is credited to 8564-1663-6749 as the envelope directs. Ref. CIBT-3024-E50C-8		
31 May	Interest at 4.80% APY	+592,217	157,330,870
	Interest on your Titan Methane Works account was credited on the day the staff were paid. The Bank has been asked to note that this is a coincidence, and it has noted it. Ref. CIBT-3024-B1B7-7		

Closing balance, month by month

June 3023 May 3024

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
