Opening balance	Credits	Debits	Closing balance
170,690,640 s	**+14,907,697 s**	**-192,676 s**	**185,405,661 s**

Date	Description	Amount (s)	Balance (s)
03 Sep	Payroll credit: Titan Methane Works	+1,098,812	171,789,452
	The receiving charge on the Titan Methane Works wages has been waived for a second look at the remittance advice. The advice agreed with the credit on the first reading, which the Bank records as the usual result, and the employer has been asked to send the advice once, not twice. Ref. CIBT-3024-8A07-5		
07 Sep	Turbulence Cover	-19,876	171,769,576
	Titan Methane Works has cited the carrier's delay as the reason for your late arrival, and the Bank has accepted the citation. The claim is paid to you, not to the employer, which has asked that its gratitude be recorded. Ref. CIBT-3024-3A93-5		
16 Sep	ATM withdrawal: L4 Habitat	-172,800	171,596,776
	The cash-time machine at L4 Habitat pays out only in whole watches, so the 0.961 left over stays in the account and appears on the next line as a credit. Nothing is owed on the remainder, which may be spent or left where it is. Ref. CIBT-3024-E592-0		
19 Sep	Deposit: Hall E	+13,126,123	184,722,899
	A customer at the next window asked whether a deposit could be backdated to the day before. The Teller said it could, and asked what date he would like it to have been. He said nothing, and was credited on the day he came in. Ref. CIBT-3024-5C4D-1		
30 Sep	Interest at 4.80% APY	+682,762	185,405,661
	The posting waited 31 days because L4 Habitat begins its day 31 hours after ours, and the interest had to be seen to accrue in both. It had, throughout, and it is paid in full. Ref. CIBT-3024-4B33-1		

Closing balance, month by month

Highest 185,405,661 s · lowest 148,054,484 s

October 3023 — September 3024

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
