Opening balance	Credits	Debits	Closing balance
133,509,537 s	**+1,632,850 s**	**-7,254,608 s**	**127,887,779 s**

Date	Description	Amount (s)	Balance (s)
07 May	ATM withdrawal: Lagos Sector	-172,800	133,336,737
	No fee applies to a withdrawal made before the concourse wakes. At that hour the machine is, by the Bank's reckoning, mostly talking to itself, and it would be unkind to bill it. Ref. CIBT-3026-32D3-3		
07 May	Transfer to own account: Lagos Sector	-6,887,761	126,448,976
	This sundry credit of 6,887,761 refunds a charge for a service you did not receive. The Bank considers it the best sort of sundry, and has never once been asked to explain it. Ref. CIBT-3026-1FB9-5		
13 May	Slippage fee (Lagos Sector, 8 transfers)	-4,800	126,444,176
	A crossing was posted twice in the second week, once on arrival and once when the relay re-sent it to be sure. The duplicate has been struck. A transfer sent twice does not lose seconds by it, though the Bank has been asked to consider whether it should. Ref. CIBT-3026-0D59-9		
15 May	Turbulence Cover	-16,447	126,427,729
	On the Lagos Sector cable line the Cover is charged by the hour and not the minute, so a journey of three minutes costs as much as one of an hour. The underwriters say this is the cheapest way to be prepared for the rest of the hour. Ref. CIBT-3026-1498-7		
16 May	Payroll credit: Titan Methane Works	+1,098,812	127,526,541
	Payroll from Titan Methane Works arrives in one burst at the end of each quarter. The burst was split across the 57 accounts it covers, and yours received 12 d 17:13:32. Ref. CIBT-3026-D2B1-6		
16 May	ATM withdrawal: Lagos Sector	-172,800	127,353,741
	The 16th line was keyed as a deposit when it was a withdrawal, and the sign was carried into the balance. The balance has been restated. You neither gained nor lost anything that day, though the paper did for a while. Ref. CIBT-3026-960F-2		
31 May	Interest at 4.80% APY	+534,038	127,887,779
	The Teller has written on the back of the copy, which is held with a clip shaped like a small question mark, that the figure was worked from the wrong morning's balance. She regrets the error, and the correct balance is shown here, with the sum it produces. Ref. CIBT-3026-9B5B-5		

Closing balance, month by month

June 3025 May 3026

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
